^{*}Does not include any impact on political subdivisions. See narrative for political subdivision estimates.

LB 773 exempts manure-spreading implements from titling and registration requirements. The number of manure-spreading implements is unknown, but projected to be small. Therefore, it is estimated that the bill will only have a minimal fiscal impact in terms of decreased revenue from title and registration fees.

Registration fees accrue to the Highway Trust Fund, Department of Motor Vehicles Cash Fund, State Recreation Road Fund, Emergency Medical System Operations Fund and counties. Title fees are paid to the General Fund, DMV Cash Fund, Attorney General Cash Fund, State Patrol Cash Fund, Motor Vehicle Licensing Cash Fund and counties. The amount of revenue loss is unknown for these entities.
