This bill would change judges' salaries. The bill has the emergency clause.

The bill would strike the current salary amount and replace it with "XXX". The fiscal impact is indeterminate at this time.

The Supreme Court states the following:

LB 1104 potentially changes the salaries of the Chief Justice and the other Supreme Court justices. If salaries are increased General Fund expenditures would also increase. General Fund expenditures would also increase for the salaries of other judges (district, county, etc.) since a change in Supreme Court salaries triggers an increase in the salaries of other judges.

COMMENTS					
SUPREME COURT – LB1104 does not identify what the Justice salaries will be as of July 1, 2010, but simply indicates they will be "XXX." No basis to determine fiscal impact at this time.
