“Beginning in 2019, each standing committee of the Legislature shall annually review and analyze approximately twenty percent of the occupational regulations within the jurisdiction of the committee and prepare and submit an annual report electronically to the Clerk of the Legislature by December 15 of each year as provided in this section. Each committee shall complete this process for all occupational regulations within its jurisdiction within five years and every five years thereafter. Each report shall include the committee's recommendations regarding whether the occupational regulations should be terminated, continued, or modified.” (Neb. Rev. Stat. § 84-948)
