PRESIDENT: LB 388 advances. LB 145.

CLERK: LB 145, Mr. President, was introduced by Senator Baack. (Read title.) The bill was introduced on January 5, referred to Retirement for hearing. The bill was advanced to General File. I have committee amendments pending by the Retirement Committee, Mr. President. (See page 635 of the Legislative Journal.)

PRESIDENT: Senator Haberman, are you handling the committee amendments? All right.

SENATOR HABERMAN: Mr. President, the committee amendments strike the old matter and insert the words "plan shall be established by appropriate ordinance or proper resolution, which may provide for mandatory contribution by the employee." And it also inserts "any amounts contributed." It helps to give the city complete flexibility in establishing the employees' contribution as established by city ordinance or resolution. The employees may contribute an amount equal to, less than, or greater than the employers contribution, and it just adds flexibility to the bill, and I am sure that the introducer does not object to this. Thank you, Mr. President.

PRESIDENT: Any further discussion on the committee amendments? If not, the question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. We are voting on the committee amendments. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of committee amendments.

PRESIDENT: The committee amendments are adopted. Before we proceed, Senator Baack, I would like to introduce some guests of Senator Ashford, please. In the north balcony, we have 39 eighth grade students from St. Margaret Mary School in Omaha with their teacher. Will you folks please stand and be recognized. Thank you for visiting us this morning. Senator Baack, we are on the advancement of the bill.

SENATOR BAACK: Yes, Mr. President and members, this is a very simple bill. The concern was brought to me by the City of Kimball who wanted to establish a retirement system for their employees. The statute said that an employee had to contribute an amount at least equal to the city's contribution. The City of Kimball wanted to establish it and pay totally for their

retirement system rather than having the employees contribute, and they found they were not allowed to do that under the present statute. So this is permissive language. It says that the city by resolution or by proper ordinance may pass authority that they can contribute...that an employee can contribute an amount equal to, greater than, no amount of all. If they want to, they can establish a system for the city regardless of the employees contributions. So it is purely permissive language. It doesn't bother any of the existing retirement systems and it really has no affect on anything else but it just allows the cities some flexibility in establishing a retirement plan for their employees. With that, I would just urge advancement of the bill.

PRESIDENT: Thank you. If there is no further discussion, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 145.

PRESIDENT: LB 145 advances. LB 237, please.

CLERK: Mr. President, LB 237 was a bill introduced by Senator Goodrich. (Read title.) The bill was introduced on January 9, referred to retirement for hearing, advanced to General File. I have Retirement Committee amendments pending, Mr. President.

PRESIDENT: Senator Haberman on the Retirement Committee amendments.

SENATOR HABERMAN: Mr. President, members of the body, I am pleased to report that I have my file and I am ready to go on this one. The committee amendment merely adds the date of June 15th, 1989, to clarify when the increase in the formula annuity is to become effective. I ask for the adoption of the amendment.

PRESIDENT: The question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of committee amendments.

I think if we still see a lot of recalls going on in this state, still seeing it being used as a harassment tool, we'll come back in and try and make it even more meaningful with maybe some stricter restrictions onto what the reasons can be for recall, but right now I think we've just got a very general statement of reasons.
