LB 240.

SPEAKER BARRETT: LB 240 advances. LB 790.

CLERK: LB 790 offered by Senator Hartnett. (Read title.) The bill was introduced on January 19, referred to Urban Affairs, advanced to General File. I have no amendments to the bill, Mr. President.

SPEAKER BARRETT: Senator Korshoj, would you handle the bill, please.

SENATOR KORSHOJ: Yes, Mr. Speaker, and members, all this bill is is a technical change to a bill we passed last year, LB 625. It just spells out exactly how a mayor can vote if his vote is decisive or if it's needed to pass a bill, actually, or to pass what is on the agenda. And it's...the League discovered we needed this technical change to clarify when and how he could vote. And that's all we ask is the advancement of this bill.

SPEAKER BARRETT: Any discussion? Any questions? If not, shall LB 790 be advanced? Those in favor vote aye, opposed nay. Have you all voted? Record, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of LB 790.

SPEAKER BARRETT: LB 790 advances. LB 777.

CLERK: Mr. President, LB 777 was a bill introduced by the General Affairs Committee and signed by its members. (Read title.) The bill was introduced on January 19, referred to General Affairs, advanced to General File. I have no amendments to the bill, Mr. President.

SPEAKER BARRETT: Senator Smith.

SENATOR SMITH: Thank you, Mr. Speaker, members of the body, this is a bill that was heard in General Affairs and was passed out unanimously. Under current law, liquor distributors can ship liquor that is damaged or otherwise spoiled back from their retailer in order to destroy or replace that liquor. If the distributor just ships liquor out of the state, however, such as into Iowa, the distributor can't bring it back in to destroy it at this point in time and they are being forced to warehouse it

on the other side of the line. And this bill then just simply grants the authorization to set up the same paper trail as we have for those that are already within the state and they would be allowed then to bring back into the state the liquor which they had originally shipped out of the state which was damaged and then only from the retailer that they shipped it to. I would ask for your advancement of the bill.

SPEAKER BARRETT: Any discussion? Seeing none, those in favor of the advancement of LB 777 vote aye, opposed nay. Record, please.

CLERK: 27 ayes, 0 nays, Mr. President, on the advancement of LB 777.

SPEAKER BARRETT: LB 777 is advanced. LB 44.

CLERK: Mr. President, LB 44 was introduced by Senator Bernard-Stevens. (Read title.) The bill was introduced on January 5, referred to Judiciary, advanced to General File. I have no amendments to the bill.

SPEAKER BARRETT: Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Thank you, Mr. President. Much of the bill, LB 44, really belongs to Senator Lowell Johnson who last year had a bill, I believe number 1221. Much of the idea of that bill, in fact, I would say most of the ideas of the bill came from Senator Johnson and the bill the Legislature passed last year. To give you a brief history of the bill, last year there was very little debate. There was very little, in fact, there was no opposition and the bill passed easily. The Governor was given advice and upon that advice vetoed the bill, and when the bill came up, it came up at, I guess, the wrong time in our veto override session that we had, and after the train had to come to a stop sometime, then this bill came up and we only had 27 votes on the override attempt. There will be, I suspect, a gubernatorial veto on this one as well. But I would like to explain to the body what we have and where I believe, if we have a chance to sit down with the governor, where we might be able to work this problem out. Nebraska's statute, Section 29-1823, specifically provides that the cost of a mental evaluation, precedent to a commitment, is the responsibility of the county wherein the crime is charged. That cost is part of the trial process. It is not disputed here and it should be a

SPEAKER BARRETT: Senator Dierks, please.

SENATOR DIERKS: Mr. Speaker and members of the body, we discussed this amendment a little bit yesterday so you have an idea of what we're talking about. This amendment requires voter approval by citizens of a county prior to the issuance of a license to site a facility. It seems a little bit strange to me that I have to stand here to justify this requirement, this requirement of local election, for specific reasons which I think are obvious, they're obviously consistent with Nebraska's traditional philosophy of local control, sovereignty of our citizens. More specifically, I believe the state made a pledge
