(See page 88 of the Legislative Journal.) All of those reports will be on file in my office subject to review by members upon their request. That is all that I have, Mr. President.

PRESIDENT: Thank you. (Gavel.) Ladies and gentlemen, we're ready to begin the introduction of bills and some of you I understand would like to hear what the bills are about, so while I don't wish to spoil your fun and visitation with each other, kindly hold it down so that those that wish to listen to the introduction of the bills may do so. We anticipate that this will probably go on until about noon and, of course, free to do whatever you would like to do. Thank you. Mr. Clerk, the introduction of bills.

SPEAKER BARRETT PRESIDING

SPEAKER BARRETT: Thank you. Proceeding to the next item on...from the Rules Committee. Chairman Lynch.

SENATOR LYNCH: Mr. President, members, the next one is number nine identified on your list. It specifies that a motion to suspend the rules is not divisible. The reason for this, without reading it all but putting it hopefully in laymen's terms so we can understand it, is that when a motion to suspend the rules is attempted it's intended to accomplish only one thing. You don't suspend the rules to accomplish three, four, five or six different things. But, if the amendment that would accomplish one thing would, for example, suspend Rule 1, Section 2, Rule 2, Section 3, Rule 3, Section 4, because it's necessary to do that to identify those sections of the rules that serve that single purpose, you cannot divide the question and take any one of those three rule changes independently. I think, Mr. President and members, that explains the purpose and intent of this rule change and would suggest that we support it.

SPEAKER BARRETT: Thank you, Senator Lynch. Discussion on the proposal...proposed change number nine? Senator Chambers, please.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, let me tell you what the real purpose of this rule change is. There have been attempts at various times to suspend the rules so that there can be no debate or discussion or amendment on bills, and I have indicated that I would divide that question. So the purpose of the rule is to prevent that from happening. So however many things are put into a rule suspension will have to be taken as a package. In some instances you may have a situation where people will think and believe that you should be able to suspend the rules for the purpose of taking a vote without any additional debate, amendment and so forth. And maybe that is all right. Naturally, I'm opposed to it because

PASTOR ANDERSON: (Prayer offered.)

SPEAKER BARRETT: Thank you, Pastor Anderson. Roll call.

CLERK: I have a quorum present, Mr. President.

SPEAKER BARRETT: Thank you. With a quorum present, are there corrections to the Journal?

CLERK: I have no corrections, Mr. President.

SPEAKER BARRETT: Any messages, announcements, or reports?

CLERK: Mr. President, your Committee on Enrollment and Review respectfully reports they have carefully examined and reviewed LB 520 and recommend that same be placed on Select File, LB 520A Select File, LB 567, and LB 567A all on Select File, some having E & R amendments attached. (See pages 560-62 of the Legislative Journal.)

I have appointment letters from the Governor that will be referred to Reference Committee for referral to Standing Committee for public hearing. An Attorney General's Opinion addressed to Senator Hartnett. (See pages 563-65 of the Legislative Journal.)

And, finally, Mr. President, LR 248 is ready for your signature,

voting rights.

SENATOR CROSBY: Thank you. We spent quite a lot of time this fall and I just wanted to be sure. Thank you, Carol.

SENATOR PIRSCH: Yes, thank you.

SPEAKER BARRETT: Senator Chambers, please.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, I was at the hearing where this bill was held and I think it is a very good bill and the people speaking for it made an excellent case to justify its movement and the only reason I'm speaking, not that it really needs my support, but Senator Hefner and I shocked people by appearing on an amendment. I want to shock people by supporting a bill of Senator Pirsch, and I may have other surprises before the session is over.

SPEAKER BARRETT: Thank you. Any other discussion? Anything else, Senator Pirsch?

SENATOR PIRSCH: No, just move for advancement.

SPEAKER BARRETT: Thank you. Shall LB 978 be advanced to E & R? All in favor vote aye, opposed nay. Have you all voted? Record, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of 978.

SPEAKER BARRETT: LB 978 is advanced. LB 988.

CLERK: Mr. President...,

SPEAKER BARRETT: LB 888, Mr. Clerk.

CLERK: Mr. President, 888 was a bill introduced by Senator Dierks. (Read title.) The bill was introduced on January 3 of this year, referred to Health Committee, advanced to General File. I have no amendments to the bill.

SPEAKER BARRETT: The Chair recognizes Senator Dierks.

SENATOR DIERKS: Thank you, Mr. Speaker and members of the body, LB 888 is a bill that will restrict the sale of rabies vaccines

in Nebraska to veterinarians only. Currently, a veterinarian is the only one who may administer the vaccine, but at this time the law lets anybody buy the vaccine. It creates quite a problem in that you have a lack of recordkeeping and you have lack of expertise possibly in the way the vaccine is administered plus it is being administered outside the law. This restriction is in agreement with all the facets of the industry that we've talked to. I think we need to be aware of the recordkeeping responsibilities of veterinarians when this is done. You need to, of course, have an animal that is healthy before the vaccine is given. If you don't, if you give this rabies vaccine to an animal that might be incubating a disease, you could have an animal that is not protected and be somewhat under false impressions that it is. And I think it is absolutely essential that this vaccine, much like anthrax vaccine and brucellosis vaccine, be in the hands of a veterinarian only. So this is the reason for the vaccine. In addition to those reasons, all the labels in the vaccine packages state that this rabies vaccine can be administered by a graduate licensed veterinarian only. This is the USDA clearance. Currently, over 40 states in this United States require vaccine sales to only veterinarians, and I think that it won't be long before the entire United States is that way. There is a push on by the United States Department of Agriculture to allow this to happen. So I believe that I'd like to encourage your support of this measure and advance it to Select File. Thank you.

SPEAKER BARRETT: Thank you. The Chair recognizes Senator Rogers for purposes of discussion.

SENATOR ROGERS: I'd like to ask Senator Dierks a question.

SPEAKER BARRETT: Would you respond, Senator?

SENATOR DIERKS: Yes, sir.

SENATOR ROGERS: You won't come back in a couple of years and ban me for giving iron shots to my baby pigs, will you?

SENATOR DIERKS: No, sir, you can do all that you want.

SENATOR ROGERS: Thank you.

SPEAKER BARRETT: Anything further? The question is, shall

LB 888 be advanced to E & R Initial. All in favor vote aye, opposed nay. Have you all voted? Record.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of LB 888.

SPEAKER BARRETT: LB 888 is advanced. To LB 917.

CLERK: 917 offered by Senators Wesely and Lynch. (Read title.) The bill was introduced on January 3, referred to Health, advanced to General File. I have no amendments to the bill, Mr. President.

SPEAKER BARRETT: Senator Wesely, please.

SENATOR WESELY: Thank you, Mr. Speaker, members, this legislation arises from a task force report chaired by Senator Lynch, caregivers task force, looking at a number of issues involving care giving. The particular program under discussion, the Disabled Persons Family Support Act, has been around a number of years. This program has provided respite care and other assistance to disabled, handicapped individuals, mentally retarded, so that they could stay home with their families or otherwise live independent lives. The program has had an expenditure limitation since its inception and from the study that was done by Senator Lynch, this limitation is causing some problems and so this bill would eliminate that expenditure limitation and allow us to move forward with the program. With that, I would move for the advancement of the bill.

SPEAKER BARRETT: Thank you. Discussion? Seeing none, shall LB 917 be advanced? Those in favor vote aye, opposed nay. Have you all voted? Record.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of 917.

SPEAKER BARRETT: LB 917 is advanced. LB 946.

CLERK: 946 offered by Senator Lynch, Mr. President. (Read title.) The bill was introduced on January 4, referred to Health, advanced to General File. I have no amendments to the bill.

SPEAKER BARRETT: The Chair recognizes Senator Lynch.

SPEAKER BARRETT: Thank you. Is there discussion? Senator Dierks.

SENATOR DIERKS: Yes, Mr. Speaker, I just want to bring something for the record. The intent of this bill is not to restrict the sale except for final use, it is not to restrict the sale between resale, wholesale, or veterinarian. So I just wanted that on the record, that we have no intent to restrict sale between distributor and wholesaler. Thank you.

SPEAKER BARRETT: Thank you, Senator Dierks. Any other discussion? If not, the question is the advancement of LB 888. Those in favor say aye. Opposed no. Carried. The bill is advanced. LB 917.

PRESIDENT: Okay, Senator Rod Johnson.

SENATOR R. JOHNSON: Mr. President and members, there was some confusion about whether the A bill or at least Senator Schimek's amendment was necessary. But I think, with the adoption of my earlier amendment this morning, it clarifies a lot of those problems. And, in talking with my legal staff who has talked with the Fiscal Office, they seem to feel there is no need for any amendments to the A bill and the A bill should stay as it's currently written. So I would just move for the bill's advancement.

PRESIDENT: Thank you. Senator Morrissey, please. No. Did you wish a closing, Senator Rod Johnson? The question is the advancement of the A bill. All in favor vote aye...say aye. Opposed nay. It is advanced. Things for the record, Mr. Clerk?

SPEAKER BARRETT: Thank you. Perhaps a very brief announcement from the Chair regarding our deliberations tomorrow. It is my hope that we can work through the lunch hour tomorrow, with the thought in mind that we can adjourn a little early tomorrow for the long weekend. It's my intent, at the present time, to work through the noon hour tomorrow, and look toward an early adjournment tomorrow afternoon. Contrary to previous statements made by the Chair, it will not be my intent to schedule appropriations bills tomorrow, budget bills tomorrow. We will be looking at them, probably, Monday or Tuesday of next week. We will continue with the agenda tomorrow with some Final Reading, probably some Select File, and perhaps senator priorities on General File. Any questions? Mr. Clerk, would you bring us up-to-date.
