know where I am in, in that scenario. I guess I am pleading, at some point, at the crowd watching both sides with all good intentions and sincerity, fighting to the end, and I'm asking you, the crowd, when will you finally have mercy at some point and say to the people of Nebraska, we have other things we have to do? Because I know, and so do you, that if you say, isn't this interesting, let's bring them back again, that the gladiators, as the paper this morning, I think, showed to pride, some ego and a lot of personal feelings will come back and perform for you again. And this time it's time for the body to take charge and it's time for you to lead and it's time for us to move. I move we adjourn.

PRESIDENT: Mr. Clerk, do you have something for the record?

on. Would you care to close?

SENATOR HARTNETT: No, thank you.

SENATOR HANNIBAL: Closing is waived. The issue before you is the advancement of LB 1043. All those in favor vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

ASSISTANT CLERK: 25 ayes, 0 nays on the advancement of the bill.

SENATOR HANNIBAL: It is advanced. LB 1044.

ASSISTANT CLERK: LB 1044 was introduced by Senator Pirsch. (Read title.) The bill was read for the first time on January 8th, was referred to Urban Affairs which reports the bill to General File.

SENATOR HANNIBAL: Senator Hartnett, I understand you're going to handle the bill.

SENATOR HARTNETT: Yes. It was heard by the Urban Affairs Committee, advanced without any...out of committee without any dissenting votes. And what it does, it clarifies two sections of the law, Section 16-726 and 17-714 which relate to cities and villages to set up procedures for filing of claims against the municipalities. (inaudible) the two statutes are identical. This proposal (inaudible) all liquidated claims, unliquidated claims and accounts payable against the city would have to be presented in writing to the city, stating the name and address, the claim and amount of the claim and fully and accurately identify the items or service for which the payment is claimed or the time, place, nature and circumstances giving rise to claim. The principal substantial change in the bill is the requirement that a claimant file a claim within 90 days of accrual of the claim with the city clerk as a condition precedent to maintain action for the claim. This requirement would not apply to tort claims as defined in Section 13-903. The city clerk would be responsible for notifying the claimant or his or her agent or attorney of the disallowance of the claim within five days of the city action by mail.

SENATOR HANNIBAL: Senator Abboud, please.

SENATOR ABOUD: Yes, Mr. President, colleagues. I rise to

support LB 1044. We had a particular problem with this issue in the City of Ralston. And we found that at that particular time there was nothing in the statute dealing with accrual of a claim. I'd like to thank Senator Pirsch for bringing this bill before the body, because it's a problem and it's not so much a problem in other larger cities because we have a statute dealing with this particular issue of accrual of claims. And it's not a problem with counties, as I understand they have a similar piece of statutory language. One thing that I do feel is important in establishing a legislative history of this particular bill is determining what, in fact, means accrual of the claim. It's my understanding, Senator Hartnett, if you could pop in, if this is your view of this particular statutory language, that accrual of the claim would mean after a completion of the work, or in the case of an accountant that was doing work for the city he would submit a monthly bill, whatever the terms that the city would provide for. Is that an accurate...

SENATOR HARTNETT: Yes, I think that's the way I would see this doing, Senator Abboud.

SENATOR ABOUD: So it would either be completion of the work by a particular individual for the city, or whatever sort of established billing system the city had established,...

SENATOR HARTNETT: Yes.

SENATOR ABOUD: ...since it's on a monthly basis.

SENATOR HARTNETT: Yes, that's the way I would see it, Senator Abboud.

SENATOR ABOUD: Thank you, Senator Hartnett.

SENATOR HANNIBAL: Senator Hartnett, your light is on. Senator Hartnett waives closing. The issue before you is the advancement of LB 1044. All those in favor vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

ASSISTANT CLERK: 26 ayes, 0 nays on the advancement of the bill.

SENATOR HANNIBAL: LB 1044 is advanced. LB 1076.

ASSISTANT CLERK: LB 1076 was introduced by Senator Wesely.

CLERK: Mr. President, LB 902A was a bill introduced by Senator Hall. (Read title.)

SENATOR HALL: Thank you, Mr. President, members, 902A is approximately \$4,500 out of the General Fund in '90-91, \$1,000 in '91-92. This bill piggybacks with 902 which was a bill that dealt with the hearing impaired symbols. We, as you remember, the other day passed over it. It was on consent calendar. I had filed a kill motion on it because I had not yet had time to talk to the folks in the hearing impaired community. I would ask you to advance it so that it is at the same stage of debate with 902. The kill motion is on there. I have no intention of moving the bill should I not be able to come to consensus with the folks in the hearing impaired community. I would urge the advancement.
