Haberman, would you record your presence, please. Thank you. Senator Bernard-Stevens, Senator Goodrich. Senator Wehrbein, would you record your presence, please. Thanks. Senator Schmit. We're looking for Senator Goodrich and Senator Schmit. I understand Senator Goodrich will be here in a moment. Senator Schmit, would you like to record your presence, please. Thank you. And Senator Goodrich is here. Ladies and gentlemen, the question is the adoption of the committee amendments. A roll call vote has been requested. Mr. Clerk, please.

CLERK: (Roll call vote taken. See page 238 of the Legislative Journal.) 23 ayes, 14 nays, Mr. President, on adoption of committee amendments.

PRESIDENT: The committee amendments are not adopted. Do you have anything else on it, Mr. Clerk?

ASSISTANT CLERK: Yes, Mr. President, new bills. (Read LBs 1061-1077 by title for the first time. See pages 239-43 of the Legislative Journal.)

PRESIDENT: Mr. Clerk, anything further on 141?

CLERK: Mr. President, I do. I now have a motion to the bill by Senator Moore. Senator Moore would move to indefinitely postpone LB 141. Senator Abboud, as introducer, has the option to lay the bill over, Mr. President.

PRESIDENT: Senator Abboud, what do you lay?

SENATOR ABOUD: Lay the bill over.

PRESIDENT: Lay it over?

SENATOR ABOUD: Yes.

SPEAKER BARRETT PRESIDING

SPEAKER BARRETT: Thank you, sir. With a quorum present, we will proceed back to our discussion of LB 742 at which time we were discussing the committee amendments to LB 742. We will return to the speaking order. Correction, we're on a motion to advance the bill. The speaking order beginning with Senator Dierks, if you would care to discuss the motion to advance the bill to E & R, Senator Dierks, followed by Senators Landis, Moore, Smith, Schmit and Bernard-Stevens. Senator Dierks.

SENATOR DIERKS: Thank you, Mr. Speaker and members of the body, I just rise to support Senator Robak's LB 742. I think that... I think these people have a track record that is good and I think we need to honor that. I believe that we do allow people on our roads sometime that maybe shouldn't be there. I don't know how we can stop some of that, but this is some legislation that will allow people to drive again that their track record is proven, they can handle this situation. And they have been kept from this right by the bureaucracy and I think it's time for the bureaucracy to give the right back to them. So I would support 742 and I would urge other people here to do the same thing.

know where I am in, in that scenario. I guess I am pleading, at some point, at the crowd watching both sides with all good intentions and sincerity, fighting to the end, and I'm asking you, the crowd, when will you finally have mercy at some point and say to the people of Nebraska, we have other things we have to do? Because I know, and so do you, that if you say, isn't this interesting, let's bring them back again, that the gladiators, as the paper this morning, I think, showed to pride, some ego and a lot of personal feelings will come back and perform for you again. And this time it's time for the body to take charge and it's time for you to lead and it's time for us to move. I move we adjourn.

PRESIDENT: Mr. Clerk, do you have something for the record?

CLERK: Mr. President, your Committee on Judiciary gives notice of hearing for February 1. That's signed by Senator Chizek as committee Chair.

Senator Baack has amendments to LB 143 to be printed. (See pages 508-12 of the Legislative Journal.)

Mr. President, Senator Hartnett would like to add his name to LB 1140.

Mr. President, Senator Haberman would ask unanimous consent to add the names of all members to LR 247. Mr. President, it was the resolution for Senator Jacobson that was considered this morning.

Government Committee reports LB 890, LB 924, LB 962, LB 1118, to General File.

support LB 1044. We had a particular problem with this issue in the City of Ralston. And we found that at that particular time there was nothing in the statute dealing with accrual of a claim. I'd like to thank Senator Pirsch for bringing this bill before the body, because it's a problem and it's not so much a problem in other larger cities because we have a statute dealing with this particular issue of accrual of claims. And it's not a problem with counties, as I understand they have a similar piece of statutory language. One thing that I do feel is important in establishing a legislative history of this particular bill is determining what, in fact, means accrual of the claim. It's my understanding, Senator Hartnett, if you could pop in, if this is your view of this particular statutory language, that accrual of the claim would mean after a completion of the work, or in the case of an accountant that was doing work for the city he would submit a monthly bill, whatever the terms that the city would provide for. Is that an accurate...

SENATOR HARTNETT: Yes, I think that's the way I would see this doing, Senator Abboud.

SENATOR ABBODD: So it would either be completion of the work by a particular individual for the city, or whatever sort of established billing system the city had established,...

SENATOR HARTNETT: Yes.

SENATOR ABBODD: ...since it's on a monthly basis.

SENATOR HARTNETT: Yes, that's the way I would see it, Senator Abboud.

SENATOR ABBODD: Thank you, Senator Hartnett.

SENATOR HANNIBAL: Senator Hartnett, your light is on. Senator Hartnett waives closing. The issue before you is the advancement of LB 1044. All those in favor vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

ASSISTANT CLERK: 26 ayes, 0 nays on the advancement of the bill.

SENATOR HANNIBAL: LB 1044 is advanced. LB 1076.

ASSISTANT CLERK: LB 1076 was introduced by Senator Wesely.

(Read title.) The bill was read for the first time on January 9th, referred to Urban Affairs which reports the bill to General File.

SENATOR HANNIBAL: Senator Wesely, please.

SENATOR WESELY: Thank you. Real briefly, this bill was brought to me by the City of Lincoln. It deals with festivals, like the Haymarket festival where they close off streets and then have the different activities. But right now it's not possible to charge admission to those. This would allow the city to charge admission, the money made from it would go back into the nonprofit organization sponsoring the event. I'd move for the advancement of the bill.

SENATOR HANNIBAL: Any discussion? Any closing, Senator Wesely? No closing. The issue before you is the advancement of LB 1076. All those in favor vote aye, opposed nay. Have you all voted? Have you all voted? Please record, Mr. Clerk.

ASSISTANT CLERK: 26 ayes, 0 nays on the advancement of the bill.

SENATOR HANNIBAL: LB 1076 is advanced. LB 1098.

ASSISTANT CLERK: LB 1098 was introduced by Senators Schimek and Crosby. (Read title.) The bill was read for the first time on January 10th, was referred to the Urban Affairs Committee which reports the bill to General File.

SENATOR HANNIBAL: Senator Schimek, please.

SENATOR SCHIMEK: Mr. President and members of the body, this proposal is simply one of those proposals that allows Lincoln, Lancaster County, to do what Omaha, Douglas County already has authorization to do through statute. Omaha, Douglas County has a city/county commission that allows them to take care of public buildings. And Lincoln is needing this now because they want to form a district energy corporation to provide heating and cooling systems for the County-City Building and jail. And, as I say, this is already done in Omaha, Douglas County. It just extends it to Lincoln and Lancaster County. I would ask your advancement.

SENATOR HANNIBAL: There are no other lights on. Senator

CLERK: Mr. President, LB 902A was a bill introduced by Senator Hall. (Read title.)

SENATOR HALL: Thank you, Mr. President, members, 902A is approximately \$4,500 out of the General Fund in '90-91, \$1,000 in '91-92. This bill piggybacks with 902 which was a bill that dealt with the hearing impaired symbols. We, as you remember, the other day passed over it. It was on consent calendar. I had filed a kill motion on it because I had not yet had time to talk to the folks in the hearing impaired community. I would ask you to advance it so that it is at the same stage of debate with 902. The kill motion is on there. I have no intention of moving the bill should I not be able to come to consensus with the folks in the hearing impaired community. I would urge the advancement.

ran all 50 states, we're in probably the top ten of all of the states. The difference in Nebraska is in how high we go. We're good on the low end, we treat people extremely well by comparison. Whether we would increase by \$8, which are the committee amendments, whether we would increase by \$10 a week in each of the next two years, which is my amendment, or whether we would increase by \$20, as Senator Lindsay would have us do, Nebraska, for those covered wage earners, is still going to pay among the highest benefits for those people that are covered up to the extent of their wages of any state in the Union.

SPEAKER BARRETT: One minute.

SENATOR COORDSEN: We have \$127 million, or thereabouts, in the Unemployment Trust Fund. That belongs to the workers of the State of Nebraska and that is paid out in recessionary times. I think it is incumbent upon us to be sure that we protect those benefits for use when they really need it. If we increase too fast, if we increase too high, we do put, if we have another major recession and we will, those benefits in jeopardy.

SPEAKER BARRETT: Thank you. While the Legislature is in session and capable of transacting business, I propose to sign and I do sign LB 1017, LB 1016, LB 974, LB 1070, LB 1076, LB 1098 and LB 1118. The Chair recognizes Senator Morrissey.

SENATOR MORRISSEY: Thank you, Mr. Speaker and members, I would just like to remind you, first I rise in support of Senator Lindsay's amendment. I would like to remind you exactly what unemployment does and this is taken out of the unemployment, Highlights of State Unemployment Compensation Laws that the department gave us in the Business and Labor Committee and I believe you all got a copy of it. In the overview it says, unemployment compensation has also served the business community by getting money into circulation at the outset of a local or national economic turndown, downturn, thus, helping the slowdown recessionary pressures. And while we're not in a recession right now, this also applies...it also applies to businesses in regular economic times because these people on unemployment do not pad their savings account, they do not buy a new car, they do not drive to Nebraska Furniture Mart to get a new washer-drier, they spend their money on the basics. Again, just think, think back to when you were on unemployment and what it is you do with that money. So the cost to businesses, there is a cost, there is an increased cost, but the businesses, the

SPEAKER BARRETT: Debate ceases. Senator Coordsen, would you care to close.

SENATOR COORDSEN: Thank you, Mr. Speaker, very briefly. I think the subject matter of the amendment to the amendment has been covered fairly well. I think it's a good amendment. There would...share with you that I haven't talked to the Department of Labor, nor to the labor interests, nor to the business interests. But, it appeared to me that if we're going to punish, we need also to extend a hand to help, even if it's a small finger, it is better than turning people out. So I would ask for the adoption of the amendment to the amendment.

SPEAKER BARRETT: Thank you. The question is the adoption of the Coordsen amendment to the Hefner amendment to LB 315. Those in favor vote aye, opposed nay. Record.
