SPEAKER BARRETT: The Chair recognizes Senator Conway.

SENATOR CONWAY: Mr. Speaker and members, I have what I would like to call a basically technical amendment. There was some discussion relative to any of the language in the legislation might possibly be perceived to alter our current insurance licensing requirements and so I am asking that we include into the bill, on page 3, line 14, a simple statement that says nothing in the subsection shall alter or eliminate any insurance licensing requirement, making it very clear that there is no intention whatsoever with any of these changes to alter our current licensing requirements for people selling insurance. So it's, like I say, it's somewhat technical, maybe qualifying amendment to Senator Haberman's LB 1094.
