SPEAKER BARRETT: LB 1080 is advanced. LB 1080A.

CLERK: LB 1080A, Mr. President, is a bill introduced by Senator Schellpeper. (Read title.)

SPEAKER BARRETT: The Chair recognizes Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Mr. Speaker and members. I couldn't find the A bill, what the amount was. The amount is \$32,303 that would be to implement this bill. So I would just move that the A bill be advanced. Thank you.

SPEAKER BARRETT: Thank you. Discussion on the A bill? If not, those in favor of the advancement of LB 1080A please vote aye, opposed nay. Record, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 1080A.

SPEAKER BARRETT: LB 1080A is advanced. Moving to LB 1094, Mr. Clerk.

CLERK: LB 1094, Mr. President, offered by Senator Haberman. (Read title.) The bill was introduced on January 10 of this year, at that time referred to the Banking, Commerce and Insurance for public hearing. The bill was advanced to General File. I have committee amendments pending by the Banking Committee, Mr. President.

SPEAKER BARRETT: Chair recognizes Chairman Landis.

SENATOR LANDIS: Thank you, Mr. Speaker, members of the Legislature. LB 1094 comes to us from the small loan industry. And Senator Haberman is the introducer. The bill came out of the Banking Committee five to two, and there is a committee amendment. The purpose of the bill is to permit the small loan companies from writing one insurance transaction when they have multiple insurance policies being purchased. Currently, a small loan company cannot only write credit life to accompany the loan

that it's in fact marketing, but it also has the right to sell different kinds of insurance, term life insurance, auto insurance. And so it's possible to have somebody in your office buying, actually making a loan, buying credit life insurance for that loan, purchasing a second kind of insurance and, rather than having to do one transaction that does it all, you have to have two separate transactions for each of those separate kinds of insurance. The bill was brought in to allow those insurance transactions to be done in one transaction rather than to have two different ones, and the committee amendment, which was brought to us by the Banking Committee...by the Banking Department, says that basically we had left one section out, that, if we wanted to make this connection to accomplish this purpose of allowing these insurance transactions to be written into one exchange, we would need to amend Section 45-139 to provide that any other type of insurance may be written for a borrower or the borrower's immediate family, whether or not in connection with the loan. And that's the operative language, that's the amendment you'll find in your bill book. And I'll move for its adoption.

SPEAKER BARRETT: Thank you. Any discussion on the adoption of the committee amendments? If not, the question is the adoption of the committee amendments. Those in favor vote aye, opposed nay. Record, please.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of the committee amendments.

SPEAKER BARRETT: The committee amendments are adopted. To the bill as amended, Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the body, Senator Landis did an excellent job of explaining the bill. I would like to add that the bill does not allow, it does not allow anything to be sold that is not sold now. It does not change anything as far as the insurance or the transactions. The only thing it says is that they may do it in one transaction and one billing instead of two. And, with that, Mr. President, I would close...or I would....Yeah.

SPEAKER BARRETT: Thank you. Discussion? Apparently not, Senator Haberman. Anything further?

SENATOR HABERMAN: Nope.

SPEAKER BARRETT: Thank you. The question is the advancement of 1094. All in favor vote aye, opposed nay. Have you all voted? Record, please.

CLERK: 28 ayes, 1 nay, Mr. President, on the motion to advance LB 1094.

SPEAKER BARRETT: LB 1094 is advanced. LB 688, Mr. Clerk.

CLERK: Mr. President, 688 was a bill introduced by Senator Lindsay. (Read title.) The bill was introduced on January 19 of last year, Mr. President. At that time it was referred to Health and Human Services for hearing. The bill was advanced to General File. I do have committee amendments. You want your amendment to the committee amendments? In addition, Mr. President, Senator Wesely would move to amend the committee amendments. (Wesely amendment appears on pages 865-66 of the Legislative Journal.)

SPEAKER BARRETT: Senator Wesely, for the purpose of introducing the amendment.

SENATOR WESELY: Thank you, Mr. Speaker, members. I'll be brief as I can in trying to explain these amendments and urge you to try and follow along, since we didn't have a chance to print them in the Journal they have been distributed on your desk. They are AM2588. LB 688 is a bill brought to the Legislature by Senator Lindsay last year, and dealt with a very important problem that we had in a number of our facilities where individuals have been providing certain assistance to particularly mentally retarded clients that had been going on for some time. But the Department of Health felt there was a violation of scope of practice in nursing and brought action against these individuals. So Senator Lindsay did introduce this legislation to deal with the problem. We appreciate very much that he did that. That led to the introduction and conclusion of an LB 407 review process looking at this very issue. Actually that process has not concluded. It has a couple more stages to go through. But in reviewing the situation and continuing the negotiations, we have advanced the bill, had committee amendments, and in further discussion have this amendment to offer that we believe is the best compromise that we can reach at this time. It does deal with a one year basis, until July 1, 1991, the following changes, and the idea I

SPEAKER BARRETT: Senator Lindsay.

SENATOR LINDSAY: Mr. President, I move the adoption of the E & R amendments to LB 1094.

SPEAKER BARRETT: Is there discussion on the adoption of the E & R amendments? Senator Schmit, your light is on. Thank you. Shall the E & R amendments be adopted? All in favor say aye. Opposed no. Carried. They are adopted.

CLERK: Mr. President, Senator Conway would move to amend the bill. Senator Conway's amendment is found on page 1164 of the Legislative Journal.

SPEAKER BARRETT: The Chair recognizes Senator Conway.

SENATOR CONWAY: Mr. Speaker and members, I have what I would like to call a basically technical amendment. There was some discussion relative to any of the language in the legislation might possibly be perceived to alter our current insurance licensing requirements and so I am asking that we include into the bill, on page 3, line 14, a simple statement that says nothing in the subsection shall alter or eliminate any insurance licensing requirement, making it very clear that there is no intention whatsoever with any of these changes to alter our current licensing requirements for people selling insurance. So it's, like I say, it's somewhat technical, maybe qualifying amendment to Senator Haberman's LB 1094.

SPEAKER BARRETT: Thank you, sir. For purposes of discussion, Senator Schmit. Thank you. Any discussion? If not, anything further, Senator Conway? Thank you. The question is...excuse me, Senator Schmit.

SENATOR SCHMIT: I would like to ask Senator Haberman a question if he would yield, please.

SPEAKER BARRETT: Senator Haberman, would you respond to a question?

SENATOR SCHMIT: Senator Haberman, I was off the floor when this bill came up earlier. Would you tell me exactly what the bill does, please.

SENATOR HABERMAN: Well, Senator Schmit, the bill refers to two entities, installment loans and installment sales. And, as it is now, you can buy insurance to cover either one of those two sales. However, you have to buy the insurance separate. They have to bill twice and you have to pay twice. The bill allows the consumer finance industry, and, as you know, there are two types, to use one installment sale. That's just simply what it does, Senator Schmit. It doesn't change anything else. They can't sell any more insurance, can't sell any less insurance. It just allows them to make their bookwork and their selling easier.

SENATOR SCHMIT: Thank you, Senator Haberman. The bill also makes it easier, as you know and I know, for the entity that's selling the policy to tie the two together and to continue the insurance policy beyond a time when they might normally carry the policy if, in fact, they decided they didn't need it before the financing on the automobile, for example, ran out. I would suggest that this is one of the sleeper bills on this floor this session that's going to pass. I'm not saying it shouldn't pass but I would just suggest it's going to be a major...one of the major bonanza bills of this session for those...that entity for whom it was introduced. And so, therefore, I'm less than enamored with the bill.

SPEAKER BARRETT: Any other discussion? Senator Haberman, your light is still on. Anything else? Thank you. Senator Conway, anything further? Would you care to close? Thank you. The question is the adoption of the Conway amendment to LB 1094. Those in favor of that motion vote aye, opposed nay. On the

CLERK: Just one item, Mr. President, and that is bills read on Final Reading this morning have been presented to the Governor, for her review. (Re: LB 348, LB 542, LB 594, LB 965, LB 1032, LB 1236, LB 1094. See page 1435 of the Legislative Journal.) That is all that I have, Mr. President.

SPEAKER BARRETT: Thank you. Mr. Clerk, I believe we left of with LB 1090A, is that correct?

CLERK: Mr. President, it is and on LB 1090A the first order of business is consideration of an amendment to the bill by Senator Bernard-Stevens. (Bernard Stevens amendment is found on page 1435-36 of the Legislative Journal.)

SPEAKER BARRETT: (Gavel.) The Chair recognizes Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Thank you. Members of the body, if you'll remember, on 1090 there were a few things added on and it increased the A bill slightly from about 5,000 to 390 some thousand, so a group of people obviously got together on the A bill, understanding that the bill may, in fact, be a little heavy on the bill itself and also realizing that there were things in 1090 that were very much needed particularly in regards to human relations and how we certify the teachers that are coming in to Nebraska from other states. So we did not want to jeopardize the bill. So, in essence, this amendment does two things. Number one, it sets the amendment up so that if for some reason the Governor does not like a single, a particular part of it, she would be able to use her line-item powers and line-item things back to or from whatever number she thought reasonable. It would then, thus, there is a possibility that the funding could be taken out in the areas she felt was not acceptable but it would not affect the statute of 1090. The second part of the amendment deals with the section that I had instituted which was LB 1195 and, in essence, what we agreed to do was to maintain the two sides but fund one of them. The funding would be decided by the educational consortium and it would change the A bill from what we had of a hundred some thousand dollars down to \$61,000, and that is simply the extent of the amendment. At this point I would urge the body to adopt the amendment.
