chance for justice in these courts, a perfect poor man's chance, which means no chance. We see that even with the present system. There are inequities and unfairnesses in the way the courts operate. We are going to build in an additional level that encourages unfairness and arbitrariness by the State Supreme Court. I am opposed to this bill. I think what would have been responsible would be to have public hearings...

SENATOR LABEDZ: Time is up, Senator Chambers. Senator Abboud. Mr. Clerk, do you have something to read in?

CLERK: Yes, Madam President, I do, new bills. (Read for the first time by title: LB 1102, LB 1103, LB 1104, LB 1105, LB 1106, LB 1107, LB 1108, LB 1109, LB 1110, LB 1111. See pages 279-82 of the Legislative Journal.)

Mr. President, I have notice of hearing from the Government Committee. That is signed by Senator Baack as Chair of the committee. (Re: LB 970, LB 1009, LB 893, LB 874, LR 233CA. See page 281 of the Legislative Journal.) That is all that I have, Madam President, at this time.

SENATOR LABEDZ: Thank you, Mr. Clerk. Senator Abboud. Senator Landis.

SENATOR LANDIS: Madam Speaker, members of the Legislature, if you could imagine a process by which we, as legislators, were asked not just to rule on the bills that we introduce but on every idea given to us by our constituents and every idea given to us at the behest of the citizens of the State of Nebraska, you'd approximate the situation that the Supreme Court finds itself in. Their work load is not of their own making. We, as the legislative branch make our own work load collectively by being able to say yes or no to the ideas our constituents bring to us. Every now and then we say, okay, fine, I will draft it and we'll introduce it. My guess is for everyone of those, you have got two or three bills that are suggested to you that you say I don't think it will work or I would rather not carry that. Best of luck, maybe you have got another avenue, but, in fact, we can't take that...I am not going to take that problem on. Maybe we don't do it enough but we do it. But imagine a Legislature in which any person in the State of Nebraska could provide us a bill idea that we would have to draft into bill form, hold a public hearing on, have a debate on this floor, and then write our decisions as a body, not just our own individual

Mr. President, I have a referencing report referring LR 251 to the Judiciary Committee for public hearing, as well, Mr. President, as a request for the sale of revenue bonds by Kearney State College. Mr. President, finally, a request from Senators Hall and Chizek as Chairs of the Revenue Committee and Judiciary Committee to

things, although I haven't had as much direct involvement with this as Senator Lindsay has. I did ask the lobbyist for the City of Omaha, is this administratively generated or is your board supportive of it? He assured me that it was going through the board approval process and they were aware of it. Secondly, I think their major concern is with the process that they have of selecting board officers, Senator Chambers. If you remember, the last couple of times they have elected presidents and vice-presidents they have had these multitudes of balance, having to have a majority of the...I think there are 12 members, somebody has to get seven votes to become either president or vice-president. This would allow them to set their rules so that they wouldn't have to have an absolute majority but a majority of those present and voting. I think, is the intent of what they're seeking to accomplish. The other language in there regarding teacher contracts and all of that, I'm sorry, I cannot enlighten you on that, but the other two points that you raised, I hope that helps clarify what I understand the intent to be.

PRESIDENT: Thank you. Senator Lindsay, would you like to close on your amendment, please.

SENATOR LINDSAY: I would just urge the adoption of the amendment.

PRESIDENT: Thank you. The question is the adoption of the Lindsay amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of Senator Lindsay's amendment to the bill.

PRESIDENT: The Lindsay amendment is adopted. Do you have anything further on it, Mr. Clerk?

CLERK: Mr. President, Senator McFarland would move to amend. Senator McFarland's amendment is on page 1275 of the Journal.

PRESIDENT: Senator McFarland, please.

SENATOR MCFARLAND: Thank you, Mr. President. I believe this amendment is what was LB 1108. Let me take a quick glance here. I was looking for my Journal and could not locate it for a minute.

March 19, 1990

LB 1090, 1108

PRESIDENT: Were you talking to me, Senator McFarland? I didn't quite understand you.

SENATOR MCFARLAND: No.

PRESIDENT: Okay.

SENATOR MCFARLAND: That's fine, you can charge me if you want. I think this is, I think, LB 1108 which was brought to the Education Committee by the Lincoln Public Schools and also was supported by the Omaha Public Schools. This amendment, in effect, would require all school districts to submit reports on certified personnel employed by the district on or before the last Friday in September on forms provided by the State Department of Education. This would just change the date. Right now, the statute, as indicated, requires it by September 1, but my understanding is it's difficult to determine exactly which certified personnel employees in the districts are going to be there and to submit that report by September 1, so this basically just changes that date from September 1 until the last Friday in September and would give the school districts additional time to do that. And, for that reason, it came out of our committee, advanced on a five to zero vote. There was not a lot of opposition in the committee and the committee chose to advance it. Since LB 1108 was not a priority bill, we thought that it would be appropriate to amend it onto this bill. I don't think there is any opposition on this. I would ask you to add it to the bill. Thank you.

PRESIDENT: There are no other lights on so I assume there are no other speakers. Any closing on it, Senator McFarland?

SENATOR MCFARLAND: I would just ask you to advance this amendment...or to add this amendment to the bill. Thank you.

PRESIDENT: Thank you. The question is the adoption of the McFarland amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of Senator McFarland's amendment.

PRESIDENT: The McFarland amendment is adopted. Anything else, Mr. Clerk?
