chance for justice in these courts, a perfect poor man's chance, which means no chance. We see that even with the present system. There are inequities and unfairnesses in the way the courts operate. We are going to build in an additional level that encourages unfairness and arbitrariness by the State Supreme Court. I am opposed to this bill. I think what would have been responsible would be to have public hearings...

SENATOR LABEDZ: Time is up, Senator Chambers. Senator Abboud. Mr. Clerk, do you have something to read in?

CLERK: Yes, Madam President, I do, new bills. (Read for the first time by title: LB 1102, LB 1103, LB 1104, LB 1105, LB 1106, LB 1107, LB 1108, LB 1109, LB 1110, LB 1111. See pages 279-82 of the Legislative Journal.)

Mr. President, I have notice of hearing from the Government Committee. That is signed by Senator Baack as Chair of the committee. (Re: LB 970, LB 1009, LB 893, LB 874, LR 233CA. See page 281 of the Legislative Journal.) That is all that I have, Madam President, at this time.

SENATOR LABEDZ: Thank you, Mr. Clerk. Senator Abboud. Senator Landis.

SENATOR LANDIS: Madam Speaker, members of the Legislature, if you could imagine a process by which we, as legislators, were asked not just to rule on the bills that we introduce but on every idea given to us by our constituents and every idea given to us at the behest of the citizens of the State of Nebraska, you'd approximate the situation that the Supreme Court finds itself in. Their work load is not of their own making. We, as the legislative branch make our own work load collectively by being able to say yes or no to the ideas our constituents bring to us. Every now and then we say, okay, fine, I will draft it and we'll introduce it. My guess is for everyone of those, you have got two or three bills that are suggested to you that you say I don't think it will work or I would rather not carry that. Best of luck, maybe you have got another avenue, but, in fact, we can't take that...I am not going to take that problem on. Maybe we don't do it enough but we do it. But imagine a Legislature in which any person in the State of Nebraska could provide us a bill idea that we would have to draft into bill form, hold a public hearing on, have a debate on this floor, and then write our decisions as a body, not just our own individual

SPEAKER BARRETT: Senator McFarland, please.

SENATOR MCFARLAND: Thank you, Mr. Speaker, fellow senators, this is a bill that was brought to me by the Lincoln Public Schools. I had worked with them in trying to clarify some language with respect to board meetings. Specifically, this bill, LB 1104 (sic), would change the meeting dates and procedures for the Class IV which would be Lincoln and Class V school boards. Meetings would be required one or more times a month. Current law prescribes twice monthly meetings. As I recall there was some testimony that, for example, in December when you have the Christmas vacation it is sometimes difficult to hold two meetings in that month and you may want to hold more than two meetings on some other months. It is clarified in the bill that meetings of the Lincoln Board of Education are subject to the open meetings law rather than just the general, vague phrase, open to the public. It was advanced unanimously from...by our Education Committee. I would urge you to support it. Thank you.

CLERK: 1165, Mr. President, offered by Senator Hall. (Read title.) The bill was introduced on January 17, referred to Banking, advanced to General File. I have no amendments to the bill.

SPEAKER BARRETT: Chairman Hall, please.

SENATOR HALL: Thank you, Mr. President, members, the bill, as the Speaker noted, went to Banking Committee, basically allows for Metro Area Transit to have the ability to require that, have the ability if their tax funds are secured by a bond or collateralized by an institution, they would have the ability then, they would be authorized to do that and have the ability to recover on those should the institution fail. All the other subdivisions of government are spelled out in the statute. Since it is an authorizing statute without MAT having that ability, argument has been made there has not been any practical application that should they have their tax money secured by a bond, if that institution would fail, they would have no ability to recover and what we do through 1165 is place them in statute with the other subdivisions of government so they have that right and opportunity should they find themselves in that precarious situation. I would urge the advancement of the bill.

SPEAKER BARRETT: Thank you. Is there discussion? Seeing none, all in favor of the motion to advance the bill to E & R vote aye, opposed nay. Record, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of 1165.

retarded in our state. But let's do so in a fashion that makes sense, that is accountable, and we understand exactly what we're getting for our money. And, so these could have been met, both of these goals could have been met with language the Appropriations Committee put out, but that language was rejected. Instead money was added and language deleted, and so that is what's put me in this quandary. I hope, as we work through this issue, and I think we should take some time, it's a 2 million dollar issue, we should try and understand what we hope to accomplish through this change. And I would like to see, on the part of those particularly promoting this amendment, a commitment to deal with this problem and correct these problems, and that might ease my concerns and allow me to vote for this. I need to hear from supporters of this that they know there is a problem and want to deal with this...

PRESIDENT: Time.

SENATOR WESELY: ...problem, otherwise we simply get ourselves into a cycle and a Catch 22 that will not ever end and continue down the road with further problems.

PRESIDENT: Thank you. While the Legislature is in session, and capable of transacting business, I propose to sign and do sign LB 1109, LB 431, LB 1055, LB 1124, LB 1153, LB 1153A, LB 1221, LB 1246, LB 1246A, LR 11, and LB 1141. Senator Warner, please, followed by Senator Hannibal.

SENATOR WARNER: Mr. President, members of the Legislature, again, I indicated earlier that as we go along I would at least inform you of the status of the reserve fund as we go. And, as indicated earlier, LB 1059, and that's the only thing we can key to on this because it does make a difference, if this amendment is adopted, and if 1059 is overridden, why there will be a million four left that could be overridden this year and still maintain the 3 percent reserve. However, if this is overridden, if you look out beyond into the next biennium, we would be in a two and a half million deficit situation. But that is no legal requirement to observe that. But it is something that one needs to keep in mind, that assuming that the growth is something less than 6.5 percent in each of the two years in the following biennium, why we would certainly have a problem. On the other hand, if 1059 is not overridden, why then there is something like 3.6 million left, even though this is overridden. And that then is not so tight. But you should keep in mind that as we go

Review Board. There is currently only one supervisor for the entire state. Can you imagine one supervisor going across the entire state with the amount of problems that we have in the foster care board at the present time? The cost of this supervisor would be \$33,070 for this supervisor, plus another \$840 for the travel expenses. With the current focus on child abuse and with the Franklin situation, it's very important that we have one more supervisor for this state. If we do nothing else this year, we need to protect the children. We need to have this supervisor out there to help coordinate things, so it's very important that we have this individual out there to help the Foster Care Review Boards. We're only talking about \$30,000, so I would move for this motion, please.

SPEAKER BARRETT: Any discussion? Seeing none, anything further, Senator Schellpeper? Thank you. The question is, shall the veto be overridden? The question is involving foster care.
