Mr. President, new bills. (Read LBs 1162-1169 by title for the first time. See pages 359-60 of the Legislative Journal.)

Mr. President, a new resolution by Senators Moore and Hall. (LR 240.) It would propose an amendment to Article VII, Section 10 of the State Constitution. That will be referred to Reference Committee, Mr. President. That's all that I have, Mr. President. (See pages 361-62 of the Legislative Journal.)

PRESIDENT: Thank you. We'll move on to Select File, number 2, LB 257. Mr. Clerk.

CLERK: Mr. President, 257 is on Select File. The first order of business are Enrollment and Review amendments, Mr. President.

PRESIDENT: Senator Baack, would you handle that, please.

SENATOR BAACK: Sure, I would move that the E & R amendments be adopted.

PRESIDENT: You've heard the motion. All in favor say aye. Opposed nay. They are adopted.

CLERK: Mr. President, the first amendment I have to the bill is by Senator Pirsch. I have a note that she wants to withdraw, Mr. President.

PRESIDENT: Senator Pirsch, are you present?

CLERK: She's excused, I believe, Mr. President, until she arrives.

PRESIDENT: Okay, she is present somewhere. We'll withdraw them and check to make sure that's correct.

CLERK: The next amendment, Mr. President, is by Senator Withem. Senator, your amendment is on page...well, it was printed last year.

LB 161, 1136-1171, 1181-1194

Mr. President, finally, I have a reference report referring LBs 1136-1171. (See pages 373-74 of the Legislative Journal.)

Mr. President, announcement, the Speaker would like to hold a chairmen's meeting tomorrow morning at eight-fifteen in Room 2102. The Speaker is calling a chairmen's meeting tomorrow morning at eight-fifteen in Room 2102. That is all that I have, Mr. President.

PRESIDENT: Do we have some new bills, Mr. Clerk?

CLERK: Mr. President, new bills: (Read LBs 1181-1194 by title for the first time. See pages 374-77 of the Legislative Journal.) That's all that I have at this time, Mr. President.

PRESIDENT: We'll move on to General File, LB 161, Mr. Clerk.

CLERK: Mr. President, LB 161 was a bill that was originally introduced by Senators Rod Johnson, Scofield, Coordsen, Baack, Weihing, Schellpeper and Elmer. (Title read.) The bill was introduced on January 5 of last year, Mr. President. It was referred to the Agriculture Committee for public hearing. The bill was brought to the floor with committee amendments attached. It was considered on April 5, Mr. President. At that time Senator Johnson made a motion to bracket the bill until January 1 of this year. I have pending the committee amendments. They have not been adopted yet, Senator.

PRESIDENT: Senator Rod Johnson, please.

SENATOR R. JOHNSON: Mr. President and members, the committee amendments are relatively straightforward. It is simple but I would like to share them with you and indicate that hopefully they are noncontroversial. There are four parts to the committee amendment. The first requires the Department of Agriculture to use other agencies when enforcement is necessary in the question of water quality. The Department of Agriculture is the lead agency in implementing this bill, but in many cases we have expertise, especially with water quality and other areas including the Department of Environmental Control, through their work; the Department of Health for the Safe Drinking Water Act and the State Resources Office and there is just a variety of different agencies that I think the department could turn to for assistance and I think the important thing is to make sure that

SPEAKER BARRETT: Thank you, sir. Members, return to your seats for a roll call vote on the adoption of the McFarland amendment. Mr. Clerk, proceed.

CLERK: (Read roll call vote.) 20 ayes, 21 nays, Mr. President, on adoption of the amendment.

SPEAKER BARRETT: Motion failed. The call is raised. Mr. Clerk.

CLERK: Mr. President, I have nothing further to the committee amendments at this point.

SPEAKER BARRETT: Back to the committee amendments. Anything further, Senator Coordsen?

SENATOR COORDSEN: At this time, I would only move the adoption of the committee amendments, Mr. Speaker.

SPEAKER BARRETT: Thank you. Any discussion? Seeing none, those in favor of the adoption of the committee amendments to LB 313 please vote aye, opposed nay. Have you all voted? Please record.

CLERK: 34 ayes, 5 nays, Mr. President, on adoption of the committee amendments.

SPEAKER BARRETT: The committee amendments are adopted. To the bill, Senator Coordsen.

CLERK: Mr. President, may I make an announcement?

SPEAKER BARRETT: Excuse me, Senator Coordsen. Mr. Clerk.

CLERK: Mr. President, Banking Committee, chaired by Senator Landis, wants to have an Exec Session at eleven in the Senate Lounge, eleven o'clock for Banking Committee. Mr. President, may I read some items?

SPEAKER BARRETT: Proceed.

CLERK: Mr. President, your Committee on Government reports LB 1216 to General File and LB 1056 indefinitely postponed, those signed by Senator Baack. Health Committee reports LB 1167

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 1216.

SPEAKER BARRETT: LB 1216 advances. LB 1167.

CLERK: Mr. President, 1167 was introduced by Senators Moore and Nelson. (Read title.) The bill was introduced on January 17, referred to Health, advanced to General File. I have no amendments to the bill.

PRESIDENT NICHOL PRESIDING

PRESIDENT: Senator Moore. Senator Nelson, please, excuse me.

SENATOR NELSON: Yes, Mr. Speaker, I hope, as an example the last bill, that my 15 minutes don't go real fast on this. I think this is one of the simplest bills that I've ever been able to handle since I've been in the Legislature. What LB 1167 simply would do is the Department of Public Institutions needs permission from the Legislature to sell or transfer any of their property. There are two pieces of property we're talking about, one is an easement for electrical lines on land the Department of Public Institutions leases to the United Veterans Club in Grand Island, and the second is to sell plots in the Blue Mound Cemetery to the City of Milford. The City of Milford cemetery is nearing capacity, and DPI has some land there that they could sell. But, with t'at, DPI needs permission to sell the land at the Soldiers and Sailors Home, and the cemetery land at Mead, Nebraska. That's all it does.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Senator Nelson, what do you think?

SENATOR NELSON: I'm not sure about that. I don't know...

PRESIDENT: The question is, shall the house go under call?

SENATOR NELSON: ...cemeteries need to be enlarged and so on. I believe there are 25 people on the floor.

PRESIDENT: Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of

1167.

PRESIDENT: LB 1167 advances. LB 903.

CLERK: LB 903, Mr. President, introduced by Senator Hall. (Read title.) The bill was introduced on January 3, referred to Retirement, advanced to General File. I have no amendments to the bill.

PRESIDENT: Senator Hall, please.

SENATOR HALL: Thank you, Mr. President, members. This is a bill that comes out of a story that a constituent told me. She was a...the spouse of an individual who was an employee of...happened to be the Ralston Public School system, could happen in any school system. This individual, the gentleman, was a janitor, he was a maintenance person in the system. He had reached the retirement age of 65, was eligible to retire, and that happened between the Christmas break and the start of the second semester, the spring semester, chose not to retire because the school district had actually asked him would he not retire at the age of 65, because they would then have to find another maintenance person for the last half of the school year. He said, fine. The problem was the individual died, and he died before the end of the semester. He was not eligible to retire because he had...he had not retired, because they had asked him not to, even though he was eligible. What happened was the spouse was denied the widow benefits because her husband had not actually retired. And the way the school retirement statutes read, this woman, even though her husband was eligible but chose not to retire, because he had virtually been asked not to, was not eligible for surviving spouse retirement benefits. We can't help her, but LB 903 would keep this tragedy from happening any time in the future. And that's all the provision does, it allows for a surviving spouse of an individual who was eligible for retirement benefits, but yet had not retired, was still active, who passed away, to receive those benefits. I would urge advancement of the bill.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Senator Hall.

SENATOR HALL: If Senator Pirsch and Senator Byars would so...
