CLERK: Mr. President, new bills. (Read LB 1244 and LB 1245 by title for the first time. See page 820 of the Legislative Journal.) That's all that I have, Mr. President.

CLERK: Mr. President, 663A offered by Senator Scofield. (Read title.)

PRESIDENT: Senator Scofield, please.

SENATOR SCOFIELD: Thank you, Mr. President and members. You will recall this is the bill that creates the Juvenile Services Act. The vast majority of the \$581,000 figure in this bill for fiscal year '90-91 and the \$565,928 figure for '90-92, the vast majority of those two fiscal notes are grants that would go out to communities to help them set up alternatives for juvenile incarceration, diversionary processes, if necessary, facilities to incarcerate juveniles. There is...the other piece of this that you need to know about is simply the administrative costs and the primary expenditure here is the \$28,000 figure for a juvenile coordinator with some secretarial support and some start up costs for the office. You will recall we made the decision to put this under Probation so that that could work more closely with the judges to help us solve that problem. It would be my intent that that juvenile coordinator position would

linear would be based on pipes, and we are talking about pipes, 260 feet of those or less would be exempted from the license, businesses working in those. For 160 square feet or fewer, you would be exempted from the license for those businesses doing those asbestos projects. And, in addition, we dealt with the committee amendment and the E clause has been added, and I'd ask very much for the advancement of the bill.

PRESIDENT: Thank you. The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of LB 923.

PRESIDENT: LB 923 is advanced. Do you have anything for the record, Mr. Clerk?

CLERK: Mr. President, LR 261 offered by the Speaker found on page 993 of the Journal asks the Legislature to extend its congratulations to Dr. Woody Varner in his receipt of the prestigious NEBRASKAland Foundation...Distinguished NEBRASKAlander award.

SENATOR WEIHING: Senator Barrett.

SPEAKER BARRETT: Thank you, Mr. President, and members. I am pleased to bring to the Unicameral today LR 261 found on page 993 honoring Dr. D.B. Woody Varner, who is a friend of this Legislature, a friend, I think probably, of every member of this Legislature. Woody has had a very long and outstanding career and record of public service, both as Chancellor and President of the University of Nebraska. He has distinguished himself in so many, so many ways over the years. He was an especially good friend of this Legislature in 1988 when he assisted us in the introduction of the Amendment 1 which dealt with a subject near and dear to our hearts. Other recipients of this prestigious award, of course, have included President Gerald Ford, and Bob Gray, Dr. Clayton Yeutter, and the NEBRASKAland Foundation is honoring Dr. Varner with their Distinguished NEBRASKAlander award on March 10. So I would hope that this Legislature would, through this resolution, extend its congratulations to Dr. Varner upon receipt of this very prestigious award. Mr. President, I would urge the body to adopt LR 261. Thank
