(See page 88 of the Legislative Journal.)

PRESIDENT: No objections, so ordered.

CLERK: Mr. President, an announcement from the Agriculture Committee and signed by Senator Rod Johnson, the Ag Committee has selected Senator Owen Elmer as its Vice-Chairperson. Mr. President, I believe that is all that I have.

PRESIDENT: Ladies and gentlemen, we're about to start the proceedings for the afternoon, and we're very grateful to have with us Father Dawson this afternoon for our invocation. Would you please rise for Father Dawson.

FATHER DAWSON: (Prayer offered.)

PRESIDENT: Thank you, Father Dawson. Please feel free to stay with us as long as you like. We're privileged to have with us this afternoon the Nebraska National Guard who will present colors. Would you please rise.

PRESENTATION OF COLORS

PRESIDENT: Ladies and gentlemen of the National Guard, we appreciate your being with us and presenting the colors today. If I might say a word to those who will be escorting the folks in today, it will be necessary that we do it a little bit different than we usually do it. When one group of ushers brings in their group, please bring them up onto the stage and then retire back to your seats until the inauguration proceedings are over with and then I will call you back one group at a time to take your group back, because if we should all come in and all stay up here on the podium, we wouldn't have

SENATOR R. JOHNSON: Mr. President, members, during the past weekend I was in Aurora and addressing a group and received some information on a former colleague of ours, in fact, my predecessor, Senator Maurice Kremer. He is fighting a rather serious battle with cancer and has been undergoing chemotherapy treatments and is in rather poor health, and I am sure he would appreciate any calls or letters or cards that you might send to him to wish him well because he was a man of great integrity in this body, and I think those that had a chance to serve with him would echo my thoughts that he was an institution in himself and I think he would appreciate anything, any kind gesture we would send along to him.

PRESIDENT: Do you have his address or is he in the hospital or...

SENATOR R. JOHNSON: I can get it for those who would like it. He is home. He has been driving back and forth to receive his treatments at Hastings Memorial...or Mary Lanning Hospital but he is home at this particular time.

PRESIDENT: Okay, we could get that address from your office.

SENATOR R. JOHNSON: You sure can.

PRESIDENT: Fine, thank you for the announcement. We appreciate it. Now back to you, Mr. Clerk.

CLERK: Series of notices, General Affairs offers notice of hearing, signed by Senator Smith as Chair. Committee on Natural Resources, whose Chair is Senator Schmit, reports LB 56 to General File, LB 127 General File, LB 167 General File, LB 185 General File, LB 90 indefinitely postponed, those signed by Senator Schmit. (Legislative Journal shows LB 184 to General File. See page 491.)

Health and Human Services Committee, whose Chair is Senator Wesely, reports LB 342 to General File with amendments, LB 344 to General File with amendments, those are signed by Senator Wesely as Chair. Natural Resources Committee, whose Chair is Senator Schmit, reports LB 195 to General File with amendments. That is signed by Senator Schmit. (See pages 491-92 of the Legislative Journal.)

Mr. President, Senator Bernard-Stevens would like to print

SENATOR LAMB: LB 127 is advanced to E & R Initial. Mr. Clerk.

CLERK: Mr. President, the next bill is LB 167 offered by Senator Schmit. (Read title.) It was introduced on January 5, referred to the Natural Resources Committee. The bill was advanced to General File. I have no amendments to the bill, Mr. President.

SENATOR LAMB: The Chair recognizes Senator Schmit.

SENATOR SCHMIT: Mr. President and members, this bill changes the penalty for entering a park permit area without a valid permit from an infraction to a Class V misdemeanor, which is a maximum of a \$100 fine and no minimum, no imprisonment. The reason for this bill is that when out of state persons visit our Game and Parks areas and violate the park permit principle they cannot be...the violation cannot be enforced as an infraction. This gives us the ability to enforce the use...the invalid use of a park permit or the absence of a park permit. I would be glad to answer any questions.

SENATOR LAMB: Senator Hartnett, please.

SENATOR HARTNETT: Mr. Speaker, members of the body, Senator Schmit, can I ask you a question?

SENATOR SCHMIT: Surely.

SENATOR LAMB: Would you respond, Senator Schmit?

SENATOR SCHMIT: Surely.

SENATOR HARTNETT: I'm on a question binge this morning. I guess one of the things I have with the fees and so forth, you know, I have occasion to go to the parks, maybe not...for a very short period of time and you have to pay the...you know, it's not that much but if you only want to go in there for 15 minutes, you've got to get the permit to get in the place. If they have...you know, for a short period of time, have they ever considered that? You work probably closer to the Games and Parks than I do, but that's one of my bones of contention with it.

SENATOR SCHMIT: Well, we could put a parking meter out there for you, I guess, Senator Hartnett, but that probably wouldn't

be very practical in a lot of cases. I know that we have kicked it around. I have found myself in the same position you are, but when it comes right down to it the basic purpose of the park permit fee is to raise money and I guess we have decided, after kicking the fee around a number of different levels, that we just as well leave it there and treat it that way. I know that there are those who, from time to time, out of curiosity or some other reason want to just drive through a park and we never really did consider that sort of a permit.

SENATOR HARTNETT: Okay, thank you.

SENATOR LAMB: Is there further discussion? If not, Senator Schmit, did you care to close on your bill?

SENATOR SCHMIT: (Microphone not on immediately) ...the bill be advanced.

SENATOR LAMB: The motion is the advancement of LB 167. Those in support vote aye, those opposed vote no. Have you all voted? Please record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of 167.

SENATOR LAMB: LB 167 has been advanced to E & R Initial. Mr. Clerk.

CLERK: LB 184, Mr. President, was offered by Senator Schmit. (Read title.) The bill was introduced on January 5, referred to Natural Resources, advanced to General File. I have no amendments to the bill, Mr. President.

SENATOR LAMB: The Chair recognizes Senator Schmit.

SENATOR SCHMIT: Mr. President and members, this is a bill which allows those individuals who raise game birds to use a different method of identification, a single-tag method of identification. At the present time, you need to have a two-part tag and when the game is sold one part needs to be separated and mailed in and it causes some additional confusion. The individuals who are in this business are all well recognized and cooperate with the Game and Parks and it was felt that this new method of identification was satisfactory. I would be glad to answer any questions.

SENATOR LANDIS: We can regulate promotion. I think David raises the fair question, you're getting more than the evil that you have claimed for in the bill and I say, you're right, we are but that's the only way, realistically, in my mind, to stop free samples for kids. And, unfortunately, we're cutting out for the doves as well as the crows here but it's got to be done to have a workable system to ban free sampling.

SPEAKER BARRETT: Time has expired.

SENATOR LANDIS: I don't think this involved structure in the amendment is a workable system to stop free samples for kids. So I'm going to vote against the amendment and for the bill.

SPEAKER BARRETT: Thank you. Senator Moore, followed by Senators Dierks, Withem and Conway.

SENATOR MOORE: I move we adjourn until Monday morning, February 13th.

SPEAKER BARRETT: Anything for the record? Mr. Clerk.

Mr. President, unanimous consent that Banking Committee will change their hearing room for next Monday's hearing to the East Chamber. That's all that I have.

SPEAKER BARRETT: Thank you. Before calling a vote on the motion to adjourn, ladies and gentlemen, the Chair wants to exercise the privilege of announcing the fact that Ed Howard of

Also, some very special guests of this Legislature today under the north balcony, we have Virginia Thrall, the Director of the Midwestern Office of the Council of State Governments and also Stacie Alexander, a staff associate, also with the Midwestern Office of the Council of State Governments. After the call is raised, I would hope that members will have an opportunity to say hello to these people and visit with them. Would you ladies please stand and be recognized. Thank you. We're delighted to have you here.

While the Legislature is in session and capable of transacting business, I propose to sign and I do sign engrossed LB 195, LB 366, LB 184, LB 167, LB 127 and LB 56 and, finally, engrossed LB 185. (See page 777 of the Legislative Journal.) Discussion on the Schimek motion, Senator Moore, Senator Chambers on deck.

SENATOR MOORE: Mr. Speaker and members of the body, I rise to support Senator Schimek's motion to return this bill to Select File and, by returning this bill to Select File, we would have the opportunity to strike the portion of the bill that I, personally, find objectionable. When this bill was on Select File I voted against the bill and I voted against it on Final Reading and I think it would be wise for us to strike this portion out of the bill. Now Senator Chambers and Senator Chizek and others have wondered why a senator from greater Nebraska, like myself, and Senator Lamb would dare have the audacity to question what the Omaha City Council is telling us they want. I guess I, personally, as I did on Select File, have a problem with having all these people elected at once. I just think you're better off having staggered terms. It is a simple, personal view I have and because I'm that way, I'm voting that way. I don't think I am here, just like neither is Senator Chambers here to serve as a rubber stamp for the Omaha City Council. I have the...it's my job to question and my job to exercise my right, to exercise my judgment. In my judgment, it's bad policy to elect the whole city council at once. For that reason, and not only...I don't care if it was the York City Council asking for it or the Omaha City Council asking for it, I'd still be voting no on this and I am sorry if I am not cowering and licking the boots of the Omaha City Council like
