PRESENTATION OF COLORS

PRESIDENT: Ladies and gentlemen of the National Guard, we appreciate your being with us and presenting the colors today. If I might say a word to those who will be escorting the folks in today, it will be necessary that we do it a little bit different than we usually do it. When one group of ushers brings in their group, please bring them up onto the stage and then retire back to your seats until the inauguration proceedings are over with and then I will call you back one group at a time to take your group back, because if we should all come in and all stay up here on the podium, we wouldn't have

SENATOR R. JOHNSON: Mr. President, members, during the past weekend I was in Aurora and addressing a group and received some information on a former colleague of ours, in fact, my predecessor, Senator Maurice Kremer. He is fighting a rather serious battle with cancer and has been undergoing chemotherapy treatments and is in rather poor health, and I am sure he would appreciate any calls or letters or cards that you might send to him to wish him well because he was a man of great integrity in this body, and I think those that had a chance to serve with him would echo my thoughts that he was an institution in himself and I think he would appreciate anything, any kind gesture we would send along to him.

PRESIDENT: Do you have his address or is he in the hospital or...

SENATOR R. JOHNSON: I can get it for those who would like it. He is home. He has been driving back and forth to receive his treatments at Hastings Memorial...or Mary Lanning Hospital but he is home at this particular time.

PRESIDENT: Okay, we could get that address from your office.

SENATOR R. JOHNSON: You sure can.

PRESIDENT: Fine, thank you for the announcement. We appreciate it. Now back to you, Mr. Clerk.

CLERK: Series of notices, General Affairs offers notice of hearing, signed by Senator Smith as Chair. Committee on Natural Resources, whose Chair is Senator Schmit, reports LB 56 to General File, LB 127 General File, LB 167 General File, LB 185 General File, LB 90 indefinitely postponed, those signed by Senator Schmit. (Legislative Journal shows LB 184 to General File. See page 491.)

Health and Human Services Committee, whose Chair is Senator Wesely, reports LB 342 to General File with amendments, LB 344 to General File with amendments, those are signed by Senator Wesely as Chair. LB 184, 185

SENATOR LAMB: Is there any discussion of LB 184? If not, Senator Schmit, would you care to close?

SENATOR SCHMIT: I move the bill be advanced.

SENATOR LAMB: The motion is the advancement of LB 184. Those in support vote aye, those opposed vote nay. Have you all voted? Record, Mr. Clerk.

CLERK: 29 ayes, 0 nays, Mr. President, on adoption of the motion to advance the bill.

SENATOR LAMB: LB 184 has been advanced to E & R Initial. Mr. Clerk, the next bill.

CLERK: Mr. President, LB 185 offered by Senator Schmit. (Read title.) The bill was introduced on January 5, referred to Natural Resources, advanced to General File. Senator, I do have an amendment from you to add the emergency clause to the bill.

SPEAKER BARRETT PRESIDING

SPEAKER BARRETT: On the committee amendments, Senator Schmit.

SENATOR SCHMIT: Mr. President and members, I would ask that the body adopt this amendment because the Game and Parks would wish that this change be implemented in time for use this year. The bill itself provides for an increase in the Cash Fund, which the Game and Parks can keep at their various installations around the state, from 1,000 to \$5,000. The increased traffic at the various parks necessitates this because it isn't too hard for them to get more than a \$1,000 in the fund at the present time. And since the Game and Parks decided that it would be helpful to them to have this additional management tool, I have agreed to offer the emergency clause so they would have it available to them for this year's operation. I move the adoption of the amendment.

SPEAKER BARRETT: Discussion on the committee amendment. Seeing none, those in favor of the adoption of the committee amendment to LB 185 vote aye, opposed nay. Record, please.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of Senator Schmit's amendment.

SPEAKER BARRETT: The amendment is adopted. To the bill, Senator Schmit.

SENATOR SCHMIT: Mr. President and members, I have already explained the bill. I will say it once again; it increases the Cash Fund for the Game and Parks at the various parks across the state from \$1,000 to \$5,000 and it's necessary because of the increased use of the state park system, particularly those around Omaha. And I move the advancement of the bill.

SPEAKER BARRETT: Thank you. Is there discussion on the motion to advance LB 185? If not, the question is then before the body the advancement of LB 185 to E & R Initial. All in favor vote aye, opposed nay. Record, please.

CLERK: 30 ayes, 0 nays, Mr. President, on the advancement of 185.

SPEAKER BARRETT: LB 185 is advanced. Senator Dierks, for what purpose do you rise?

SENATOR DIERKS: A point of personal privilege, sir.

SPEAKER BARRETT: State your point.

SENATOR DIERKS: I would just like to invite the body to come to Elgin for their centennial. I didn't do that in the resolution this morning. You're all invited up there and I'm not sure what day the parade is but the festivities are between the 28th of June and the 2nd of July. And there will be a parade and I will see to it that there is a car for you if you would like to ride in that parade. I'm not sure of the day of the parade. I suspect it's on Saturday, the 1st of July, but I don't know that, but we'll get that information to you. Thank you.

SPEAKER BARRETT: Thank you. And it occurs to the Chair that perhaps that announcement could have been made in the form of an amendment to your resolution. Thank you, Senator Dierks. Mr. Clerk, anything for the record?

CLERK: Mr. President, your Committee on Judiciary, whose Chair is Senator Chizek, reports LB 443 to General File; LB 556, General File with amendments. Those are both signed by Senator Chizek. Urban Affairs, whose Chair is Senator Hartnett, reports

SENATOR LANDIS: We can regulate promotion. I think David raises the fair question, you're getting more than the evil that you have claimed for in the bill and I say, you're right, we are but that's the only way, realistically, in my mind, to stop free samples for kids. And, unfortunately, we're cutting out for the doves as well as the crows here but it's got to be done to have a workable system to ban free sampling.

SPEAKER BARRETT: Time has expired.

SENATOR LANDIS: I don't think this involved structure in the amendment is a workable system to stop free samples for kids. So I'm going to vote against the amendment and for the bill.

SPEAKER BARRETT: Thank you. Senator Moore, followed by Senators Dierks, Withem and Conway.

SENATOR MOORE: I move we adjourn until Monday morning, February 13th.

(See page 777 of the Legislative Journal.) Discussion on the Schimek motion, Senator Moore, Senator Chambers on deck.

SENATOR MOORE: Mr. Speaker and members of the body, I rise to support Senator Schimek's motion to return this bill to Select File and, by returning this bill to Select File, we would have the opportunity to strike the portion of the bill that I, personally, find objectionable. When this bill was on Select File I voted against the bill and I voted against it on Final Reading and I think it would be wise for us to strike this portion out of the bill. Now Senator Chambers and Senator Chizek and others have wondered why a senator from greater Nebraska, like myself, and Senator Lamb would dare have the audacity to question what the Omaha City Council is telling us they want. I guess I, personally, as I did on Select File, have a problem with having all these people elected at once. I just think you're better off having staggered terms. It is a simple, personal view I have and because I'm that way, I'm voting that way. I don't think I am here, just like neither is Senator Chambers here to serve as a rubber stamp for the Omaha City Council. I have the...it's my job to question and my job to exercise my right, to exercise my judgment. In my judgment, it's bad policy to elect the whole city council at once. For that reason, and not only...I don't care if it was the York City Council asking for it or the Omaha City Council asking for it, I'd still be voting no on this and I am sorry if I am not cowering and licking the boots of the Omaha City Council like
