PRESIDENT: Senator Moore, please.

SENATOR MOORE: Yes, Mr. President, and members, I know we are all busy, a beehive of activity this morning, but this first thing out of the shoot is of some significance. You may or may not want to listen. What this is is the approval for the bond financing of Phase III of the rec center construction. Those of you that were around in 1987 will remember at that point in time when we approved the indoor practice facility, that was the first of three phases of activity in the total hyperfitness area, whatever it was called, I forget. And Phase I and Phase II have already been...Phase I and Phase II have already been either built or in the process of being built and paid for, and the university is coming down...coming back with LR 223, and if you remember back, LR 69 two years ago, it basically said...we basically said we approve Phase I and Phase II and Phase III; if on the chance that when you go to Phase III, and Phase III is rebuilding of the coliseum, which I would like to explain a little bit, if we get to Phase III, it is the university's choice to use bond financing, and they must come back to the Legislature for our approval. That is, indeed, what has occurred. That is what LR 223 is talking about. It grants the authority for the university to bond up to \$4.9 million for the UN-L recreation/athletic facility. Now as you remember, the indoor practice facility, you all remember, Phase II of that
