PRESIDENT: Senator Baack, please.

SENATOR BAACK: Mr. President and members, I bring this resolution in memory of my predecessor, Senator Clark from Sidney, and for his family who remains. I did allow an opportunity for all of the members who are still in the body that served with Senator Clark and most of them signed the resolution. I would also say that our Lieutenant Governor did an excellent job at the memorial service for Senator Clark in commemorating his service to the state and to his community. So, with that, I would urge your adoption of the resolution. Thank you.

PRESIDENT: Thank you. You've heard the motion. All those in favor vote aye, opposed nay. Have you all voted on the resolution? Record, Mr. Clerk.

SENATOR R. JOHNSON: Mr. Speaker and members, as the Clerk has already identified, this bill requires food service establishments to post the type of cooking oils they use in preparation of the food served in that establishment. The committee made actually two changes to the bill, one is the more technical aspect of the committee amendments, simply changing the terminology in the bill as it relates to cholesterol content and changing that to percent of saturated fat. The more substantial committee change would go ahead and have the penalty section amended so that when a food establishment fails to post a sign as to what type of cooking oils are being used, the Department of Agriculture, which administers the Pure Food
