indefinitely postponed; LB 375, indefinitely postponed; LB 535, indefinitely postponed; LB 570, LB 629, LB 801, all indefinitely postponed, signed by Senator Hall as Chair of Revenue. (See page 742 of the Legislative Journal.)

New A bills, Mr. President. (Read LB 224A, LB 350A, LB 408A, LB 361A and LB 147A by title for the first time. See page 743 of the Legislative Journal.) That is all that I have, Mr. President.

PRESIDENT: Fine, thank you. We'll move on to LB 416.

CLERK: Mr. President, LB 416 was introduced by Senator Robak. (Title read.) The bill was introduced on January 13, referred to the Transportation Committee for public hearing, advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Thank you. Senator Robak, please.

SENATOR ROBAK: Mr. President and members of the Legislature, I don't want to make light of this situation, but in my office we refer to this as the K-Mart blue light special. LB 416 permits the use of blue flashing lights in conjunction with red and white flashing lights on emergency vehicles. Current law only now uses...permits the use of red and white lights. However, several Nebraska jurisdictions are already using blue with red and white lights. Studies have shown that at night blue and white lights are more visible than red and white lights. The Columbus police chief surveyed over 30 law enforcement agencies in Nebraska and learned that 20 are currently using blue lights. There is some confusion as to whether or not law enforcement agencies have the authority to use blue lights. For example, a city attorney told a police chief that blue lights were authorized while the county attorney told him that they were not. However, since 20 jurisdictions already use the blue lights, obviously, other positive legal opinions have been rendered in this matter. In 1982 a similar bill was introduced in the Legislature. The reason it was defeated at that time was because there were no studies done then to determine the effectiveness of blue lights. Those studies now have been done and they conclusively show that blue lights are much easier for motorists to see at night. During the day red lights are better, but the addition of blue at night greatly increases the visibility of the emergency vehicle. The other arguments were that if the lights were mandatory, it would be too expensive for

for example, that they negotiate could be \$30, it could be \$35, but at least there is a guideline in there to make it legal that we don't...they can't even negotiate a contract beyond the \$100. The rest of it, as I mentioned before, is a series of provisions for reciprocity, for conformity of other sections of the statutes, for the language, obsolete language, for any number of grammatical errors found in the real estate statutes, and that is just what we are trying to clean up all in one legislative bill. Beyond that, there is not much to it. I would just move that we advance the bill.

SPEAKER BARRETT: Thank you. There are no other lights on. Did that constitute your closing, Senator Goodrich? Thank you. The question is the advancement of the bill to E & R. Those in favor vote aye, opposed nay. Please record, Mr. Clerk.

CLERK: 28 ayes, 1 nay, Mr. President, on the advancement of LB 350.

SPEAKER BARRETT: LB 350 is advanced. To the A bill, Mr. Clerk.

CLERK: Mr. President, LB 350A offered by Senator Goodrich. (Read title.)

SPEAKER BARRETT: The Chair recognizes Senator Goodrich.

SENATOR GOODRICH: Yes, the A bill calls for a \$3,980, I believe, figure it is. It is a cash-funded agency. There is no general funds involved. The real estate people pay their own thing all the way through this thing, so it is for \$3,980. I would move the advancement of the A bill.

SPEAKER BARRETT: Is there discussion? Seeing none, those in favor of the advancement of the A bill, please vote aye, opposed nay. Record, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to advance 350A.

SPEAKER BARRETT: LB 350A is advanced, and the Chair is pleased to note that Senator Elmer has a guest under the south balcony, the Executive Director of the Greater McCook Chamber of Commerce, Mr. Keith Ellis. Mr. Ellis, would you please stand and be recognized. Thank you, sir. We are glad to have you

SENATOR SCOFIELD: Thank you, Mr. President. I shutter to introduce this resolution knowing that it will probably consume us this morning and, yet, even though I do it with some good humor, I also do it because it is an issue that continues to emerge across the state. It is, if you will look at the handouts on your desk, even a couple of years ago, and I don't believe there is a date, but this is a 1987 column from the Rural Electric Nebraskan that raised this question again about what does outstate mean, and where is it, and I, for the life of me, don't know. And, in fact, I teased Senator Hannibal, you

CLERK: Mr. President, 663A offered by Senator Scofield. (Read title.)

PRESIDENT: Senator Scofield, please.

SENATOR SCOFIELD: Thank you, Mr. President and members. You will recall this is the bill that creates the Juvenile Services Act. The vast majority of the \$581,000 figure in this bill for fiscal year '90-91 and the \$565,928 figure for '90-92, the vast majority of those two fiscal notes are grants that would go out to communities to help them set up alternatives for juvenile incarceration, diversionary processes, if necessary, facilities to incarcerate juveniles. There is...the other piece of this that you need to know about is simply the administrative costs and the primary expenditure here is the \$28,000 figure for a juvenile coordinator with some secretarial support and some start up costs for the office. You will recall we made the decision to put this under Probation so that that could work more closely with the judges to help us solve that problem. It would be my intent that that juvenile coordinator position would
