Committee, on this bill and I certainly appreciate the support of Senator Schmit and Senator Schellpeper as co-sponsors of the bill. Again, we are simply clarifying the definition of gross receipts under these statutes and specifically stating that access charges shall not be subject to a sales tax. With that, Mr. Speaker and members, I would move the advancement of LB 209.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, this bill relates to the unmarked burial sites and remains bill. And what it does is appropriates money to provide temporary employees for the State Historical Society to do the work that the bill would place on them in terms of identifying the burial goods, procuring the remains, and packing various items. And in this fiscal year there would be appropriated \$13,765 because there is a date in September by which some of the remains could be turned over to one of the tribes. So if that date must be met, we would need the \$13,000 for that purpose. Next year among the people who would be hired temporarily would be archaeological technicians and museum registrars to carry on with this work should additional requests be made and that would come to \$33,000. Then an additional \$5,000 the next year may be needed to allow the society to contract for temporary employees to assist with identifying new remains which may be found and to assist with requests from individuals and tribes requesting the return of remains and burial goods in the society's possession. The amount is modest and not...the total amount will not be in a single year, but if it were, it would be very modest even at that. So I am asking that you advance the A bill.
