LR 4

SPEAKER BARRETT: Thank you. You have heard the closing and the question is the adoption of LR 4 introduced by Senator Bernard-Stevens. Those in favor vote aye, opposed nay. Voting on the adoption of LR 4. Have you all voted? Record, please.

CLERK: 34 ayes, 0 nays, Mr. President, on the adoption of LR 4.

SPEAKER BARRETT: LR 4 is adopted. Further bill introductions, Mr. Clerk.

CLERK: Mr. President, new bills. (Read LBs 374-388 for the first time by title. See pages 200-203 of the Legislative Journal.)

Mr. President, in addition to those items, I have some Select File reports. Mr. President, your Committee on Enrollment and Review respectfully reports we have carefully examined and reviewed LB 18 and recommend that same be placed on Select File with E & R amendments attached, LB 19 Select File, LB 20 Select File, LB 21 Select File, LB 22 Select File with E & R amendments attached, LB 23 Select File, LB 24 Select File, LB 25 Select File with E & R amendments attached, LB 26 Select File with E & R amendments attached, LB 27 Select File, LB 28 and LB 29 to Select File, as well, Mr. President, all signed by Senator Lindsay as Chair of the Enrollment and Review Committee. (See pages 204-205 of the Legislative Journal.)

SPEAKER BARRETT: Thank you, Mr. Clerk. Proceeding to item number six on today's agenda, a motion to rerefer. Mr. Clerk.

CLERK: Mr. President, Senator Weihing moves to rerefer LB 54 from the Agriculture Committee to the Health and Human Services Committee. Senator Weihing offered his motion yesterday. It is found on page 194.

SPEAKER BARRETT: For purposes of objecting to the referencing of a bill, the Chair recognizes Senator Weihing. (Gavel.)

SENATOR WEIHING: Mr. President and members of the Legislature, I request to move this bill because I feel it is much more in the medical area, the health area, and, therefore, it should be first heard, if it is heard at all, in the Health and Human Services Committee. This bill is one which deals with cholesterol. Cholesterol has become a daily word within our

LB 46, 379, 388

CLERK: 25 ayes, 0 nays on the advancement of LB 379.

PRESIDENT: LB 379 advances. LB 46.

CLERK: LB 46, Mr. President, was introduced by Senators Lamb and Schimek. (Read title.) The bill was introduced on January 5, referred to Retirement for hearing. The bill was advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Senator Lamb, please.

SENATOR LAMB: Yes, Mr. President, members, this is a bill that corrects an oversight in retirement laws, and all it does is allow county superintendents of schools who were employed before July 10, 1976 to buy into the retirement system. Just because of an oversight in the retirement system, they have not been able to buy into the system. The bill had no opponents in committee and was advanced with no negative votes, and for years I have been looking for a "Herbie" and a "Howie" bill and I think this is it, and I would ask that the bill be advanced.

PRESIDENT: Thank you. Senator Haberman, please.

SENATOR HABERMAN: Mr. President, members of the body, I would heartily ask you to endorse the bill and ask you to advance it as everything Senator Lamb says is absolutely true and I think it should be done. Thank you, Mr. President.

PRESIDENT: Thank you. The question is the advancement...Senator Schimek, please. Okay, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of LB 46.

PRESIDENT: LB 46 advances. LB 388.

CLERK: LB 388, Mr. President, was a bill introduced by Senator Haberman. (Read title.) The bill was introduced on January 12, referred to the Retirement Committee for hearing, advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Senator Haberman, please.

March 8, 1989

LB 388

SENATOR HABERMAN: Mr. President, I am operating without my file, so until I get it I would like to slip over this bill. I have got it now, all right. Well, first of all, the bill changes the age for voluntary participation in the State Employees Retirement System. Currently full-time employees who are 25 years of age with one year of service may elect to participate in the State Employees Retirement System. LB 388 would reduce the eligibility age for voluntary participation from 25 to 20 years of age. The purpose behind the legislation is that we have many, many young employees who start to work for the state at 19 and 18 years old, and they work, and they are 20 years old, they have to work for five years before they can join the retirement system. Now it seems to me that that is unfair to have somebody wait that long when they are doing good work or they would not be kept on the payroll before they are entitled to join a retirement system. This would stop proliferation of good state young employees to other entities if they are given this opportunity to join the system. The bill was not opposed. There were no no votes, and I ask you to heartily support LB 388.

PRESIDENT: Thank you. Senator Schimek, please. Your light is on. Senator Pirsch, please.

SENATOR PIRSCH: Thank you, Mr. President, I just rise to support Senator Haberman in this effort, and am glad that he didn't pass over it because I think it is a matter of fairness that these young employees should be able to start participating in the retirement plan after they have had one year of service. Thank you.

PRESIDENT: Okay, thank you. Senator Haberman, would you like to close.

SENATOR HABERMAN: Mr. President, I would just ask for the advancement of the bill.

PRESIDENT: Okay, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Please vote if you care to. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of LB 388.

PRESIDENT: LB 388 advances. LB 145.

CLERK: LB 145, Mr. President, was introduced by Senator Baack. (Read title.) The bill was introduced on January 5, referred to Retirement for hearing. The bill was advanced to General File. I have committee amendments pending by the Retirement Committee, Mr. President. (See page 635 of the Legislative Journal.)

PRESIDENT: Senator Haberman, are you handling the committee amendments? All right.

SENATOR HABERMAN: Mr. President, the committee amendments strike the old matter and insert the words "plan shall be established by appropriate ordinance or proper resolution, which may provide for mandatory contribution by the employee." And it also inserts "any amounts contributed." It helps to give the city complete flexibility in establishing the employees' contribution as established by city ordinance or resolution. The employees may contribute an amount equal to, less than, or greater than the employers contribution, and it just adds flexibility to the bill, and I am sure that the introducer does not object to this. Thank you, Mr. President.

PRESIDENT: Any further discussion on the committee amendments? If not, the question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. We are voting on the committee amendments. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on adoption of committee amendments.

PRESIDENT: The committee amendments are adopted. Before we proceed, Senator Baack, I would like to introduce some guests of Senator Ashford, please. In the north balcony, we have 39 eighth grade students from St. Margaret Mary School in Omaha with their teacher. Will you folks please stand and be recognized. Thank you for visiting us this morning. Senator Baack, we are on the advancement of the bill.

SENATOR BAACK: Yes, Mr. President and members, this is a very simple bill. The concern was brought to me by the City of Kimball who wanted to establish a retirement system for their employees. The statute said that an employee had to contribute an amount at least equal to the city's contribution. The City of Kimball wanted to establish it and pay totally for their
