LB 408, 412

PRESIDENT: The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays on the advancement of 408, Mr. President.

PRESIDENT: The bill is advanced. According to the Speaker's instructions, we're going to skip LB 744 and go to LB 412.

CLERK: LB 412, Mr. President, is offered by the Business and Labor Committee and signed by its members. (Read title.) The bill was introduced on January 13, referred to Business and Labor. The bill was advanced to General File, Mr. President. I have Business and Labor Committee amendments pending.

PRESIDENT: Senator Coordsen, please. Just a moment, Senator. Now try it.

SENATOR COORDSEN: Mr. President and members of the body. Thank you. I might have to talk a little louder if you didn't turn me on. We're talking about the bill. The bill is the result of a problem that was uncovered during an interim study hearing on the effect of the increase in the state minimum wage that was made two years ago when we increased the state minimum wage to \$3.35 an hour for nontipped employees to...and to \$2.01 an hour for tipped employees. We had several testifiers from the restaurant...from restaurant businesses in the State of Nebraska that reported to us a problem that had developed with the interpretation of the Department of Labor of the current statutes. The statutes read currently for persons compensated primarily by way of gratuities, the employer shall pay wages at a minimum rate of \$2.01 an hour. The Department of Labor interest was triggered by the word "primarily". Their interpretation of that meant...was that for an employee that was compensated partially by tips, by gratuities, that "primarily" meant they must receive an amount from tips more than the amount they received as base wage. What this translated into in real life is that we have a situation that exists today where a tipped employee will have a base wage of \$2.01 an hour. In order to be considered a tipped wage, they must have at least \$2.02 an hour in tips, which gives us then a state minimum wage for tipped employees, with that interpretation, of \$4.03 an hour for tipped employees, \$3.35 an hour for nontipped employees. If

LB 61, 412

you extend this problem out just a little bit further, if an employer of tipped employees has a base wage rate of \$3.00 an hour, then their employees must receive at least \$3.01 an hour or the employer must make up the difference. What LB 412 will do then is to redefine. We will strike the word "primarily" from the tipped section of statute and add the words "that the sum of the wages and gratuities received by each person compensated by way of gratuities shall equal or exceed the minimum wage rate provided in subsection (1) of this section, which means that all employees in the State of Nebraska, tipped or nontipped, will be guaranteed a minimum wage rate of \$3.35 an hour rather than the rather awkward situation that exists today. Thank you.

PRESIDENT: Thank you. Any further discussion? If not, the question is the acceptance of the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of the committee amendments.

PRESIDENT: The committee amendments are adopted. Now on the advancement of the bill, Senator Coordsen.

SENATOR COORDSEN: In the process...thank you, Mr. President. In the process of explaining amendment which would add the emergency clause to the bill because of the nature of the problem that exists, I covered the bill, I think, rather thoroughly so I would merely advance the bill at this point in time.

PRESIDENT: Very good. Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on the advancement of LB 412.

PRESIDENT: LB 412 is advanced. LB 61.

CLERK: LB 61, Mr. President, was a bill that was introduced by Senator Haberman. (Read title.) The bill was introduced on January 5, referred to the Banking Committee, advanced to General File. I have no amendments to the bill, Mr. President.

answered. I don't think we will until we get to talk with a lot of people out there who have concerns with this concept. I am talking now about Class II and III schools. I am talking about even some of the Class VI schools, and as long as we have that problem, I think we need to take it easy, tread water, so to speak, do an interim study, and I believe this bracket motion provides for that concept. Thank you.
