PRESIDENT: Thank you. We'll move on to the legislative resolutions, LR 27, by Senator Warner.

CLERK: Mr. President, LR 27 was originally introduced by Senators Warner, Scofield and Hartnett. It asks the Legislature to strongly support the removal of Federal Transportation Trust Funds from the federal budget and urges the Nebraska congressional delegation to work towards such removal. The

Senator Hall. (Title read.) The bill was read for the first time on January 19. It was referred to Judiciary Committee. They report the bill advanced to General File.

SENATOR LANDIS: Thank you, Mr. Clerk. Senator Lindsay, on behalf of Senator Hall.

SENATOR LINDSAY: Thank you, Mr. President and colleagues, LB 669 is a bill which relates to probation. The thrust of the bill is to allow judges a little more leeway in the area of probation. It affects just one section and that section is that dealing with jail time involved in probation. What the bill would do very simply is that for a misdemeanor the greatest amount of jail time that could be served by a defendant would be the maximum amount stated by...in the statutes. For felonies the time that could be served would be 180 days. The reason for that is it gives judges leeway a little bit on probations for felonies that if they feel that somebody...the current statute allows 90 days. If they feel somebody deserves probation but 90 days isn't going to do it, this gives them a little more leeway that they can give up to 180 days and still allow that person to be on probation. Conversely, on misdemeanors, what is occurring on occasion is that somebody is sentenced to probation, and for a crime that may have a maximum of seven days, they are getting much in excess of that. The statute allows on probation up to 90 days. It's a case that could be appealed, but practically speaking, nobody can get an appeal up there because of jail time served before an appeal can be heard. I would urge the adoption of the bill.

SENATOR LANDIS: Thank you, Senator Lindsay, there are no lights on. You are recognized to close. Senator Lindsay waives closing. We'll proceed to a vote on LB 669. Those in favor vote aye, those opposed vote no. The Clerk will record.

ASSISTANT CLERK: 25 ayes, 0 nays on the advancement of the bill, Mr. President.

SENATOR LANDIS: The motion carries. The bill is advanced. We'll go on to LB 486, an Education Committee bill. Mr. Clerk.

ASSISTANT CLERK: LB 486 was introduced by the Education Committee. (Title read.) The bill was read for the first time on January 17. It was referred to the Education Committee. They report the bill to General File.

SENATOR LANDIS: Senator Withem, on behalf of LB 486.

SENATOR WITHEM: Yes, Mr. President, members of the body, the next three bills are all Education Committee bills. They are all bills that were referred to us by the Department of Education, and they're all relatively minor. They're all also needed to help the department do its job a little more efficiently. The first one deals with things like freeholding petitions and also with ESUs. The major change it makes in freeholding is it takes the State Department of Education totally out of the process. Currently freeholding petitions are appealed to them. If they take action on them, it doesn't really make a whole lot of difference anyway. It goes back to the local level for enactment so we're taking them out of it because it's really not...doesn't make any difference. The second portion of the bill, a couple of years ago we changed the educational service unit statutes to allow for a reorganization transfer of property, school districts leaving one ESU, going to another. One of the things that we have done is, we inadvertently didn't do at that time was we did not make it mandatory that before a school district goes to a new ESU that they need the permission of that new ESU. They have to accept them. This makes that change and also says that the state board can appoint a hearing officer to conduct a public hearing on proposed ESU boundary changes. That's what the bill does. I would urge its acceptance.

SENATOR LANDIS: Senator Withem, there are no lights on. Would you care to close? Senator Withem waives closing. We'll be voting on the advancement of LB 486. Those in favor vote aye, those opposed vote no. The Clerk will record.

ASSISTANT CLERK: 26 ayes, 0 nays on the advancement of the bill, Mr. President.

SENATOR LANDIS: The bill is advanced. We'll move on to LB 487 by the Education Committee. Mr. Clerk.

ASSISTANT CLERK: Mr. President, LB 487 was introduced by the Education Committee. (Title read.) The bill was read for the first time on January 17. It was referred to the Education Committee. The Education Committee does report the bill to General File, Mr. President.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of Senator Hall's amendment.

PRESIDENT: The Hall amendment is adopted. Senator Hall.

CLERK: Mr. President, Senator Hall would move to amend his bill. Senator I believe this is your date change amendment. (Hall amendment appears on page 338 of the Legislative Journal.)

PRESIDENT: Senator Hall, please.

SENATOR HALL: Thank you, Mr. President, members, now that we have amended LB 240 we have to change the dates that were in the original LB 129. We strike October 1, 1989 and insert January 1, 1991 for the effective date throughout the bill. We also add the language that the proceeds from the surcharge shall be remitted monthly, no later than 30 days after the end of the month in which they are collected. This is so that the industry sends the money to the Public Service Commission so that we can basically pay for the relay system. And then we also add language that specifies the dual-party relay system shall assure prompt and accurate relay of all messages seven days a week, 24 hours a day, including holidays. It's basically a change of the date and clarifying language with regard to the intent of the bill. I would urge the amendment's adoption.

PRESIDENT: Any further discussion? If not, the question is the adoption of the Hall amendment. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of Senator Hall's amendment.

SENATOR LINDSAY: Mr. President, can you hear me?

SENATOR LINDSAY: Mr. President, I move the adoption of the E & R amendments to LB 486.

CLERK: Mr. President, I now have an amendment by Senator Withem to the bill. Senator, this amendment was printed last year, AM0974. Do you want me to read it to you, would that be helpful?

SENATOR WITHEM: That would be delightful, yes.

CLERK: Real helpful? I could tell. (Read Withem amendment as it appears on page 1507 of the Legislative Journal, First Session, 1989.)

PRESIDENT: Senator Withem, please.

SENATOR WITHEM: Okay, 486 deals with some minor changes in the way property transfers from school districts to school districts, freeholder petitions, ESUs and that kind of thing. County treasurers came in and they felt that that there was a need for them to be included within this process also so that amendment is being suggested and it's adding county treasurers to county superintendents and county clerks dealing with transfer of land via freeholder petitions, involves the county treasurers in the line...in the process. They are included in the list of the people up here on page 2 and they were left out of the draft of the bill over here on page 3. This is a very technical amendment.

PRESIDENT: Any further discussion? If not, the question is the adoption of the Withem amendment. All those in favor vote aye,
