Mr. President, I also have the Committee on Committees report as offered by Senator Lowell Johnson and the Committee on Committees. Also an acknowledgment, Mr. President, that Senator Beyer has been selected...Senator Emil Beyer has been selected as Vice-Chair of the Committee on Committees.

PRESIDENT: The Chair recognizes Senator Lowell Johnson. Could we have your attention for just a moment, please. (Gavel.) Could we have your attention just a moment, ladies and gentlemen. If we could have your attention just a moment, we won't request your attention too long today, but Senator Lowell Johnson has an announcement.

SENATOR L. JOHNSON: Mr. President and members of the Legislature, your Committee on Committees met yesterday, and after careful deliberations completed the committee roster, which you find on your desks, which has been placed there by the Clerk. The report was unanimously adopted by the Committee on Committees, and I, therefore, move at this time that it be accepted and approved by the Legislature.

PRESIDENT: Is there any discussion? If not, the question is the adoption of the report. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays, Mr. President, on adoption of the Committee on Committees report.

PRESIDENT: The report is adopted. Back to you, Mr. Clerk. We're ready for the introduction of new bills. Mr. Clerk.

SENATOR R. JOHNSON: Mr. President, members, during the past weekend I was in Aurora and addressing a group and received some information on a former colleague of ours, in fact, my predecessor, Senator Maurice Kremer. He is fighting a rather serious battle with cancer and has been undergoing chemotherapy treatments and is in rather poor health, and I am sure he would appreciate any calls or letters or cards that you might send to him to wish him well because he was a man of great integrity in this body, and I think those that had a chance to serve with him would echo my thoughts that he was an institution in himself and I think he would appreciate anything, any kind gesture we would send along to him.

PRESIDENT: Do you have his address or is he in the hospital or...

SENATOR R. JOHNSON: I can get it for those who would like it. He is home. He has been driving back and forth to receive his treatments at Hastings Memorial...or Mary Lanning Hospital but he is home at this particular time.

PRESIDENT: Okay, we could get that address from your office.

SENATOR R. JOHNSON: You sure can.

PRESIDENT: Fine, thank you for the announcement. We appreciate it. Now back to you, Mr. Clerk.

CLERK: Series of notices, General Affairs offers notice of hearing, signed by Senator Smith as Chair. Committee on Natural Resources, whose Chair is Senator Schmit, reports LB 56 to General File, LB 127 General File, LB 167 General File, LB 185 General File, LB 90 indefinitely postponed, those signed by Senator Schmit. (Legislative Journal shows LB 184 to General File. See page 491.)

Health and Human Services Committee, whose Chair is Senator Wesely, reports LB 342 to General File with amendments, LB 344 to General File with amendments, those are signed by Senator Wesely as Chair. Natural Resources Committee, whose Chair is Senator Schmit, reports LB 195 to General File with amendments. That is signed by Senator Schmit. (See pages 491-92 of the Legislative Journal.)

Mr. President, Senator Bernard-Stevens would like to print

committee did adopt an amendment and that is what we would ask you to adopt at this point to provide for antidiscrimination on the basis of any mental or physical disability in this area. So I would ask for the committee amendments to be adopted, Mr. President.

PRESIDENT: Thank you. The question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of Health Committee amendments.

PRESIDENT: The committee amendments are adopted. Senator Lynch, to the bill.

SENATOR LYNCH: Mr. President, members, I think Senator Wesely described everything that is included, in fact, in the bill. It is a one-paragraph bill, four lines, and accomplishes only what he suggests, hearing impaired, the blind, the head injury and some others would like to be included and all of those kinds of needs are unique from the other and require, in their case, individual attention and rehabilitation and maintenance of life kinds of programs. It would make sense. Unless there are any lights on, Mr. Chairman, I would open, ask for your support, and waive closing.

PRESIDENT: Thank you. The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 29 ayes, 0 nays, Mr. President, on the advancement of LB 366.

PRESIDENT: LB 366 advances. LB 56.

CLERK: LB 56 offered by Senator Coordsen. (Title read.) The bill was introduced on January 5, referred to Natural Resources, advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Senator Coordsen, please.

SENATOR COORDSEN: Thank you, Mr. President, members of the body. LB 56 is a bill that was developed with the full

cooperation of the Game and Parks Commission to address a situation that has developed with the major fur buyers in Nebraska over the last several years, in that these larger fur buyers had been converting the record keeping over to a computer base system and this was being accepted by Game and Parks until someone looked at the statute and saw that the only legal means of keeping fur buying records was in a hand-entered book furnished by the Game and Parks Commission. So this spring they had to deny to these fur buyers the legitimacy of their computer records. In talking with the Game and Parks people they had absolutely no objection, in fact, they welcomed this opportunity to be able to develop rules and regulations to accept other methods of record keeping aside from those that were hand-lettered in the provided record book. So this bill is a simple one-line bill, the wording provided by Game and Parks. It gives them the flexibility to write regulations to be able to use computer records or such other improvement in record keeping that might be coming on in the future without any further changes in statute. So with that, I would urge the advancement of this bill.

PRESIDENT: Thank you. The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of LB 56.

PRESIDENT: The bill is advanced. LB 127.

CLERK: LB 127, Mr. President, was a bill introduced by Senators Hefner, Dierks and Rogers. (Title read.) The bill was introduced on January 5, referred to the Natural Resources Committee, advanced to General File. Senator, I do have your amendment. Would you want to offer that now or do you want to defer for a bit?

PRESIDENT: Senator Hefner.

SENATOR HEFNER: Okay, maybe I should explain the bill first and then we'll take up the amendment. Mr. President, members of the body, this is called a muzzle-loader's bill. LB 127 allows the Game and Parks Commission to establish a muzzle-loading deer season and I introduced this on behalf of several constituents in my district. I'm sure that most of you are familiar with

SENATOR LANDIS: We can regulate promotion. I think David raises the fair question, you're getting more than the evil that you have claimed for in the bill and I say, you're right, we are but that's the only way, realistically, in my mind, to stop free samples for kids. And, unfortunately, we're cutting out for the doves as well as the crows here but it's got to be done to have a workable system to ban free sampling.

SPEAKER BARRETT: Time has expired.

SENATOR LANDIS: I don't think this involved structure in the amendment is a workable system to stop free samples for kids. So I'm going to vote against the amendment and for the bill.

SPEAKER BARRETT: Thank you. Senator Moore, followed by Senators Dierks, Withem and Conway.

SENATOR MOORE: I move we adjourn until Monday morning, February 13th.

Chambers, Hefner, Wesely and Lynch, the Chair is very pleased to recognize some guests in the north balcony, Dr. Jim Horner from the Ag College has a UN-L leadership class of 30 as our guests. Would you please stand and be recognized by your Legislature. Thank you. We're very glad to have you with us today. Also, some very special guests of this Legislature today under the north balcony, we have Virginia Thrall, the Director of the Midwestern Office of the Council of State Governments and also Stacie Alexander, a staff associate, also with the Midwestern Office of the Council of State Governments. After the call is raised, I would hope that members will have an opportunity to say hello to these people and visit with them. Would you ladies please stand and be recognized. Thank you. We're delighted to have you here.

While the Legislature is in session and capable of transacting business, I propose to sign and I do sign engrossed LB 195, LB 366, LB 184, LB 167, LB 127 and LB 56 and, finally, engrossed LB 185. (See page 777 of the Legislative Journal.) Discussion on the Schimek motion, Senator Moore, Senator Chambers on deck.

SENATOR MOORE: Mr. Speaker and members of the body, I rise to support Senator Schimek's motion to return this bill to Select File and, by returning this bill to Select File, we would have the opportunity to strike the portion of the bill that I, personally, find objectionable. When this bill was on Select File I voted against the bill and I voted against it on Final Reading and I think it would be wise for us to strike this portion out of the bill. Now Senator Chambers and Senator Chizek and others have wondered why a senator from greater Nebraska, like myself, and Senator Lamb would dare have the audacity to question what the Omaha City Council is telling us they want. I guess I, personally, as I did on Select File, have a problem with having all these people elected at once. I just think you're better off having staggered terms. It is a simple, personal view I have and because I'm that way, I'm voting that way. I don't think I am here, just like neither is Senator Chambers here to serve as a rubber stamp for the Omaha City Council. I have the...it's my job to question and my job to exercise my right, to exercise my judgment. In my judgment, it's bad policy to elect the whole city council at once. For that reason, and not only...I don't care if it was the York City Council asking for it or the Omaha City Council asking for it, I'd still be voting no on this and I am sorry if I am not cowering and licking the boots of the Omaha City Council like
