SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, if the Legislature is going to try to impose some kind of conduct on the other members, it should at least be done by a majority vote of the members of the Legislature. That resolution did not get a majority vote, and I'll tell you something else. The Legislature is governed by the Constitution, the Legislature is also governed by the statutes and the Legislature is governed by its rules. What happens in this Legislature is determined by rules. This resolution did not amend the rules. This resolution's contents does not constitute a rule. It's just a statement and it was passed by less than a majority of the members of the Legislature. So I think it ought to be reconsidered and I think when that next vote is taken we should defeat the resolution and you should put

it's an issue which is based on moral, religious, ethical principles and there is not going to be a resolution, so I will write them what my view is but not try to change their mind and that I have no expectation of doing that. What we're doing here is expressing our opinions and not one vote is going to change, not one mind-set is going to be altered. So, for that reason, as long as we discuss this issue and whenever we discuss it, I'm going to put into the...
