Well the fact of the matter is that in the part dealing with the noneligible student athlete we say that they cannot be contacted either, unless the sports agent registers with the Secretary of State. Earlier Senator Chambers said, well why should they have to be concerned, if they don't have eligibility, why should they have to be concerned about whether the sports agent registers with the Secretary of State. The reason is we're concerned about all athletes, eligible, noneligible, high school athletes, athletes who may be in professional school or graduate school or whatever. The goal of the bill is to protect athletes from being exploited by sports agents. If you read that particular provision that talks about noneligible student athletes they can be contacted, it's on page 4, they can be contacted if the sports agent is registered.
