here. LB 692, Mr. Clerk.

CLERK: Mr. President, 692 was a bill offered by Senator Weihing. (Read title.) The bill was introduced on January 19 of last year. At that time, it was referred to the Banking, Commerce, and Insurance Committee for public hearing. The bill was advanced to General File. I have Banking Committee amendments pending, Mr. President. (See page 682 of the Legislative Journal, First Session.)

SPEAKER BARRETT: The Chair recognizes Senator Conway for the purpose of introducing the amendment.

SENATOR CONWAY: Thank you, Mr. Speaker. The Banking Committee amendments on LB 692 simply consist of reinstating some language that had been taken out in conjunction with the changes. The reinstatement provisions require the refunding bonds to state on the bond the object of the bond, statutes under which the issue was made, and the date and principal amount of the bonds for which the refunding bonds are being issued. In essence, it is reinstating the language on page 4, starting with line 20, where that information before had to be printed on the bonds, and we are reinstating that saying it should continue to be on the bonds.

SPEAKER BARRETT: Thank you. Any discussion? If not, those in favor of the adoption of the committee amendments vote aye, opposed nay. Record, please.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of committee amendments.

SPEAKER BARRETT: The committee amendments are adopted.

CLERK: Mr. President, Senator Weihing, you have an amendment to the bill. Senator, do you want that now or later?

SENATOR WEIHING: Another?

CLERK: You have an amendment to the bill.

SENATOR WEIHING: No, the only amendment...

SPEAKER BARRETT: Senator Weihing, do you have an amendment?

SENATOR WEIHING: Yes, the amendment to which the Clerk spoke is on page 272 of the Journal. This is an amendment that simply is correcting what is already in the Journal. If you turned within the bill on page 2 in line 5, you will see the statement "public power district, public power and irrigation district." The bill will be authorizing various areas of government for refunding bond, to be able to have refunding bonds. The public power districts already, already have that power. This is already in the statutes. Therefore, the language is redundant and this amendment simply takes out that language "public power district, public power and irrigation district" so we do not have duplication within the statutes. I request that we move ahead and vote on that.

SPEAKER BARRETT: Thank you. Is there discussion on the amendment offered by Senator Weihing? If not, those in favor of its adoption please vote aye, opposed nay. Please record.

ASSISTANT CLERK: 26 ayes, 0 nays on the adoption of the Weihing amendment, Mr. President.

SPEAKER BARRETT: The amendment is adopted. Anything further, Mr. Clerk?

ASSISTANT CLERK: Nothing further on the bill.

SPEAKER BARRETT: Senator Weihing, would you care to explain the bill as amended.

SENATOR WEIHING: Thank you, Mr. Chairman, and members of the Legislature, Section 10-142 currently authorizes counties, cities, and villages to issue refunding bonds. Now refunding bonds are utilized when bonds have been issued at a high interest level. If you recall, ten years ago interest rates were up around 10 percent, or perhaps even higher, with regards to bonds. Then interest rates dropped. When bonds have been issued for a period of years, let us take an example, just 12 years, and there is a significant drop in the interest rate, it is certainly desirable if those bonds can be paid off to that particular point in time, say five years, and then reissued at a lower rate. This technique has been used and used very successfully with the counties, cities, and villages.

SPEAKER BARRETT: Senator Weihing, excuse me. (Gavel.) Go ahead.

SENATOR WEIHING: Now I want to point out that when a bond is sold to a purchaser, the purchaser is informed, in fact, it is a matter of regulation by the Securities Exchange Commission, be informed as to what the yield will be, that is the interest, and not just the interest rate on the bond but what it would be at the end of the term, and how much this will amount to. They are also told that whether or not this is a bond that can be called after a specified period of time. Let us take a period of five years. After five years, if the interest rates have dropped significantly, the issuing unit, if it is a city, may wish to refinance those bonds or refund them, would call them and refund them. Now under the current language, only the counties, cities, and villages are permitted to do that. Now under LB 962 (sic), school districts, metropolitan utilities, utility districts, rural water districts, or any other municipal or public corporation, governmental subdivision, or body politic or corporate created under Nebraska law exercising essential public functions would be allowed to issue refunding bonds. This is extending that right. It has been proven to be successful with the cities, counties, and villages. This would be of a significant value to our taxpayer in having this privilege, and that is, basically, or that is the purpose of this bill, and those are the conclusion of my comments. Do you have any lights? You do.

SPEAKER BARRETT: Yes, sir.

SENATOR WEIHING: Very well.

SPEAKER BARRETT: Thank you. Before proceeding to a discussion on the bill, I am pleased to announce that Senator Wehrbein has some guests who are in the south balcony from District 88 in Plattsmouth. We have six kindergarten through sixth graders with their teacher. Would you folks please stand and be recognized by the Legislature. Thank you. We are glad to have you with us. For purposes of discussion, Senator Abboud, followed by Senator Pirsch.

SENATOR ABOUD: Mr. President, colleagues, I rise to support LB 692. I heard the bill in Banking Committee and I think that it is an excellent way to save the taxpayers some money by allowing these local political subdivisions to refinance some of the bonds. Now we all know that when a city or other political subdivision issues these bonds, they usually come at a time when

they need something, such as a new road, a new bridge, new structures, and at that particular time, interest rates are one of the small concerns. The larger concern is getting that construction project completed, and because of that, sometimes the interest rates are much higher than somewhere down the road like at the current time when bond interest rates are some of the lowest in the decade. And if we can allow them to refinance these bonds to save taxpayers some money, I think we should allow them to do that. Reduce taxes, makes the public happy, I think it is a great bill and I want to thank Senator Weihsing for bringing it before the Legislature to give us the opportunity to pass it this year. Thank you.

SPEAKER BARRETT: Thank you. Senator Pirsch.

SENATOR PIRSCH: Thank you. A question of Senator Weihsing, if he will yield. Senator Weihsing, what we are doing is adding all of these other subdivisions so they would have the same opportunity to refinance at a lower interest those bonds that have been issued previously, is that correct?

SENATOR WEIHSING: Not necessarily previously because they would have to have been designated that they could have been called. It would be from here on. I would...

SENATOR PIRSCH: Any...

SENATOR WEIHSING: If at the time that they are issued, they would have to be told that they could be drawn. That is the...

SENATOR PIRSCH: Okay, so this is (interruption) then?

SENATOR WEIHSING: Our Securities Exchange Commission would require that that way.

SENATOR PIRSCH: That would be prospective then, rather than retrospective going back on bonds that have already been issued, is that correct?

SENATOR WEIHSING: Yes, we can't...we have to have good faith when we issue bonds and they were issued in good faith...

SENATOR PIRSCH: At a higher interest rate.

SENATOR WEIHSING: Yes, that is true.

SENATOR PIRSCH: So what we are just saying then is from now on, if we issue bonds at a certain interest rate, that it would be available to that subdivision to recall them and reissue them at a lower interest?

SENATOR WEIHING: That is of interest to the public, that is right.

SENATOR PIRSCH: Okay. It says on page 4 that obligations guaranteed by the United States Government have been pledged and set aside in safekeeping for the complete payment of the bonds will not be considered as outstanding and unpaid. Does that refer to those bonds that are already out there, then, or could you explain why we say those will not be considered as outstanding and unpaid.

SENATOR WEIHING: I am having to read this, if you will just give me a second.

SENATOR PIRSCH: Surely. It is page 4. On the first page, we are...

SENATOR WEIHING: Yes, (interruption)...

SENATOR PIRSCH: ...authorizing them to issue refund...

SENATOR WEIHING: ...interpretation is right there.

SENATOR PIRSCH: Okay, that those would refer then to those retrospective bonds.

SENATOR WEIHING: Yes.

SENATOR PIRSCH: Okay, thank you. I hope this is a good opportunity for those subdivisions of government to be able to perhaps save and reduce some of their bonded indebtedness, so I thank you for bringing this.

SENATOR WEIHING: Thank you.

SPEAKER BARRETT: Thank you. Any other discussion? Senator Weihing, would you care to close on the advancement of the bill?

SENATOR WEIHING: This bill gives our other...our subdivisions

of government the opportunity to enter into the same kind of obligation as our counties, cities, and villages. It has worked out very well since they have been given that system. And so I move that we accept this bill, LB 692, and in the future it can be of significant benefit to our taxpayers.

SPEAKER BARRETT: Thank you. The question is, shall LB 692 be advanced to E & R Initial? Those in favor vote aye, opposed nay. Have you all voted? Record, please.

ASSISTANT CLERK: 26 ayes, 0 nays on the advancement of the bill, Mr. President.

SPEAKER BARRETT: LB 692 is advanced. LB 708, Mr. Clerk.

ASSISTANT CLERK: LB 708 was introduced by Senator Chambers. (Read title.) The bill was read for the first time on January 19 of last year. It was referred to the Judiciary Committee which reports the bill to General File, Mr. President.

SPEAKER BARRETT: The Chair recognizes Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, since there were no committee amendments, I would like to go through the bill first, and then I have some clean-up amendments to offer, but I think it should be clear what the bill is designed to do. I will state it as briefly and succinctly as I can, then I will elaborate from the bill, itself. There is a set of circumstances existing in big-time intercollegiate athletics which is created by NCAA rules, which are very unfair. The NCAA behaves in a way that would make the fascist countries seem like paragons of democracy, but we have a set of circumstances where universities in order to be members of the NCAA, and they must be a member if they want to participate in intercollegiate athletic activities in this country or any of its possessions, they accede to these rules, and one of the rules places a limit on the amount of a Pell Grant that a participating athlete can receive. That limit is \$1,400. The Pell Grant is \$2,100. It is a federally financed administered program and the basis for receiving one is need. So it has to be clear in everybody's mind that we are talking about assistance based on established demonstrated need. The NCAA and universities, recognizing this status of such a player, has decided to impose a rule saying that the needy athlete can receive \$1,400 of this \$2,100. A nonathlete similarly situated, even on scholarship, can receive the full

SENATOR SCOFIELD: Thank you, Mr. President. I shutter to introduce this resolution knowing that it will probably consume us this morning and, yet, even though I do it with some good humor, I also do it because it is an issue that continues to emerge across the state. It is, if you will look at the handouts on your desk, even a couple of years ago, and I don't believe there is a date, but this is a 1987 column from the Rural Electric Nebraskan that raised this question again about what does outstate mean, and where is it, and I, for the life of me, don't know. And, in fact, I teased Senator Hannibal, you
