PRESIDENT: Thank you. Now we'll move on to LB 48, please.

CLERK: Mr. President, the Legislature last considered LB 48 on February 13. At that time Senator Landis made a motion to indefinitely postpone the bill. That motion is pending.

PRESIDENT: Senator Landis, please.

SENATOR LANDIS: Mr. President, members of the body, over the weekend I've had a chance to think about it and I've come to the conclusion that it must have been a moment of delusion on my part. I don't know why I offered that motion. I certainly want to withdraw it now.

PRESIDENT: It is withdrawn.

CLERK: Mr. President, the next amendment I have to the bill is offered by Senator Bernard-Stevens. The amendment is on page 740 of the Journal.

PRESIDENT: Senator Bernard-Stevens, please.

SENATOR BERNARD-STEVENS: Thank you, Mr. President and members

the hundreds of thousands and millions of dollars, and they have to ask, why they can't feel the need to pay a little bit of tax on that, and don't feel that that is a particularly fair thing to do. I would like to ask your support for this measure, and I would like to ask your consideration of the issue. It is more than just this vote. I think this is the first of many other discussions on this floor about what...

SPEAKER BARRETT: One minute.

SENATOR WESELY: ...fair tax policy ought to be. We are going to be talking about property tax relief. We are going to be talking about income tax relief. We are going to be talking about general tax policy. And I hope you will understand that there are many of us that feel that our tax policy in this state have simply got to change and reverse direction back toward a more equitable, fair system, and I, for one, feel that this is but one step in that direction, a step that is unlikely to be taken but, nevertheless, one that needs to be discussed and considered as we look at overall tax policy, and I now ask for your support for the measure.

SPEAKER BARRETT: Thank you. You have heard the closing, and the question before the body is the placement of LB 433 on General File notwithstanding the action taken by the Revenue Committee. Those in favor of that motion vote aye, opposed nay. A record vote has been requested. Have you all voted? Have you all voted? Please record.

CLERK: (Read record vote. See page 882 of the Legislative Journal.) 11 ayes, 26 nays, Mr. President, on the motion to raise the bill.

SPEAKER BARRETT: Motion fails. Anything to read in, Mr. Clerk?

CLERK: Yes, Mr. President, I do. Your Committee on Enrollment and Review reports LB 361 and LB 361A to Select File, those signed by Senator Lindsay as Chair. Natural Resource Committee reports LB 199 as indefinitely postponed, signed by Senator Schmit. General Affairs Committee reports LB 686 to General File with amendments, and LB 704 General File with amendments, those are signed by Senator Smith. (See pages 882-84 of the Legislative Journal.)

there are going to be items that no one would deny was not of historical significance. They gave meaning to the past that are somehow or other, no longer will be with us. And I would hope you would adopt the amendment, not for disrespect for the past but for honor of the past, that we recognize that those people who lived here before also contributed much to the world and much to us and we honor them by preserving items that we can all view. The skeletal remains obviously should be returned, and I have not gotten involved in that side of the issue whatsoever. I have no problem with that. But I would urge that you adopt this amendment to give one more concrete meaning to preservation of the past and the honor to those who have lived in this land before we became a part of it. Thank you, Mr. President.

PRESIDENT: For those who have just came in, please check in with your presence, please indicate your presence on the board. We're still looking for Senator McFarland. Now we have everybody that is not excused, and the question is the adoption of the Warner amendment. All those in favor vote aye, opposed nay. Have you all voted that care to? Have you all voted? Record, Mr. Clerk, please. Senator Warner, please.

SENATOR WARNER: Obviously, if the board is correct, I assume it is, I'd ask for a roll call vote.

PRESIDENT: Okay. Mr. Clerk, a roll call vote.

CLERK: (Roll call vote read. See pages 926-27 of the Legislative Journal.) 17 ayes, 21 nays, Mr. President, on adoption of the amendment.

PRESIDENT: The amendment fails. Do you have anything for the record, Mr. Clerk?

CLERK: Yes, Mr. President, I do. Mr. President...

PRESIDENT: Excuse me, Mr. Clerk, the call is raised.

CLERK: Mr. President, I have notice of hearing from the...notice of cancellation of hearing from the Judiciary Committee. I have amendments to be printed by Senator Haberman to LB 704 and Senator Labedz to LB 426. (See pages 927-29 of the Legislative Journal.)

Senator Coordsen has a motion with respect to introduction of
