years is 1.1, which is .07 of a cent a \$100, less than the 1.08 that is allowed. With that, I guess I have no more to say, just to advance the bill. I think it's needed. And they will go ahead with passage of this bill and build a new building which is drastically needed up there because they do continue to expand. Thank you. I ask for advancement of the bill.

SPEAKER BARRETT: Thank you. Shall LB 395 be advanced to E & R Initial? Those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 26 ayes, 5 nays on the advancement of 395, Mr. President.

SPEAKER BARRETT: Thank you. Proceeding then to LB 447.

CLERK: LB 447 offered by Senators Nelson, Beck, Crosby, Schellpeper, Rod Johnson. (Read title.) The bill was introduced on January 13, referred to Education, advanced to General File. I have committee amendments pending by the Education Committee, Mr. President. (See page 907 of the Legislative Journal.)

SPEAKER BARRETT: Senator Withem on the committee amendments to 447.

SENATOR WITHEM: Yeah, I am sorry, Mr. Speaker. I was under the impression that we let this bill out in its incredibly pristine form. However, we did not. We made a very substantive change that made a good bill remarkably better and I am reminded of that as I get through my...I'm trying to figure out what it was that we did to it. Yeah, the original bill, this is Senator Nelson's bill dealing with state money distributed to local school districts for purposes of establishment of vocational education programs. The original bill had the formula based on

PRESIDENT: Members of the Legislature who are hiding out in their offices, appreciate it if you would come to the sanctuary so we can start the service. We already have three members here but we need a few more.

CLERK: I have a quorum present, Mr. President.

PRESIDENT: Senator Chambers will be here in a moment, and then we can begin on the...Mr. Clerk, do you want to read in new bills while we are waiting, please?

CLERK: Mr. President, yes, I do. Thank you, new bills. (Read for the first time by title: LB 969-996. See pages 150-57 of the Legislative Journal.)

Mr. President, I have a series of amendments to be printed, Senator Hefner to LR 231, Senator Wesely to LB 720A, LB 678A, Senator Withem to LB 259, LB 259A, and Senator Weihing to LB 505.

Mr. President, I will announce now that there will be a Reference Committee meeting at three o'clock in Room 2101, Reference Committee at three o'clock. 2102. That is all that I have, Mr. President.

PRESIDENT: Ladies and gentlemen, as you will recall, we are on

bill would add those 84 over a four-year period and that would be about 20 more staff a year. Hopefully, with that we would in four years' time have adequate workers and staff to protect the children in the different environments that we find them in, whether they are abused at the home or outside of the home and in foster care, but clearly, an intolerable situation must come to an end and the passage of this bill will help us accomplish that goal. With that, I appreciate your discussion and ask for your support for the advancement of LB 720.

SPEAKER BARRETT: Thank you. The question before the house is the advancement of LB 720. All in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on the advancement of LB 720.

SPEAKER BARRETT: LB 720 is advanced. The A bill, Mr. Clerk.

CLERK: LB 720A, Mr. President, offered by Senator Wesely. (Title read.) The bill was first read on March 28 of last year, Mr. President, referred directly to General File as is our practice. Senator Wesely has amendments pending that are on page 157 of the Legislative Journal.

SPEAKER BARRETT: Senator Wesely, please.

SENATOR WESELY: Mr. Speaker, we've spent a lot of time together. It's been a pleasure. Members of the Legislature, this amendment would reduce the A bill down as it is a four-year phase-in. The committee amendments did not put all the workers in in one year, would put them in over a four-year period reducing the fiscal impact. So I would move for the adoption of the amendment.

SPEAKER BARRETT: Thank you. Any questions, any discussion on the amendment? If not, those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 32 ayes, 0 nays, Mr. President, on adoption of Senator Wesely's amendment to the bill.

SPEAKER BARRETT: The amendment is adopted. Senator Wesely, let's proceed to the bill as amended.

SPEAKER BARRETT: Thank you, sir. With a quorum present, we will proceed back to our discussion of LB 742 at which time we were discussing the committee amendments to LB 742. We will return to the speaking order. Correction, we're on a motion to advance the bill. The speaking order beginning with Senator Dierks, if you would care to discuss the motion to advance the bill to E & R, Senator Dierks, followed by Senators Landis, Moore, Smith, Schmit and Bernard-Stevens. Senator Dierks.

SENATOR DIERKS: Thank you, Mr. Speaker and members of the body, I just rise to support Senator Robak's LB 742. I think that... I think these people have a track record that is good and I think we need to honor that. I believe that we do allow people on our roads sometime that maybe shouldn't be there. I don't know how we can stop some of that, but this is some legislation that will allow people to drive again that their track record is proven, they can handle this situation. And they have been kept from this right by the bureaucracy and I think it's time for the bureaucracy to give the right back to them. So I would support 742 and I would urge other people here to do the same thing.

ASSISTANT CLERK: Mr. President, I have a motion on the desk. Senator Schmit would move to return the bill to Select File for specific amendment.

SPEAKER BARRETT: Senator Schmit, please.

SENATOR SCHMIT: Mr. President and members, I had hoped very earnestly that this bill would come up yesterday. I believe that this is one example of why perhaps we ought to seriously consider abolishing consent calendar. I was not on the floor at any time during the period of time that LB 1183 was discussed, either on General File or on Select File. I came on the floor during the reading of LB 1183 and was somewhat shocked to follow the reading and discover that this Legislature was in the process of making it a felony, a Class IV felony if any corporation or company failed to pay its taxes on time, and I discussed it just briefly with some of my fellow legislators, and they said, well, this is just personal taxes. But upon a very close reading of the bill, it did not appear to me to be that it only applied to personal taxes, and even then, I would have been opposed to it. My deep concern is that we have by the passage of this bill made it a felony, punishable by a \$10,000 fine and each day is a new offense, ladies and gentlemen, punishable by a similar type of fine, if you do not pay your taxes when due. Now there may be some of us in here who believe that it is easy to pay taxes, either personal or real, but that is not true. It is frequently true that we are not able to pay our taxes on time, and for that reason, we have required that a 14 percent interest charge be assessed against delinquent taxes. That, in itself, is a serious enough penalty in my estimation. What is even more concern to me is that we would indicate by this bill that there is a decision process left up to the local county attorney, I would...I suppose, if the situation is to be prosecuted or not because it says that if such officer willfully fails to pay the tax due to the county treasurer when so notified, he or she shall be guilty of a Class IV...felony, changed from a misdemeanor. It also says that he may be prosecuted. Now, ladies and gentlemen, we have seen enough of the preferential treatment that can happen to certain individuals in the commission of crimes without extending it to this kind of an act. I would suggest that if anyone of us in
