PRESIDENT: Senator Wehrbein, would you like to say something this morning about adjourning until nine o'clock tomorrow. Wait a minute, we will turn you on. Now.

SENATOR WEHRBEIN: Yes, Mr. Speaker, I would do that. I move we adjourn until nine o'clock tomorrow morning, January 17.

LB 830.

SPEAKER BARRETT: LB 830 advances. LB 938.

CLERK: 938, Mr. President, by Senator Conway. (Read title.) The bill was introduced on January 3, referred to Banking, advanced to General File. I have no amendments to the bill.

SPEAKER BARRETT: The Chair recognizes the member from Wayne, Senator Conway.

SENATOR CONWAY: Mr. Speaker and members, thank you. LB 938 as it was introduced is simply an authorization to allow the Director of Banking through the securities activity, through the rules and orders, to allow for the sophisticated investor and those sophisticated investors are typically thought of and as was written into the bill, those who have more than half a million dollars invested and whose net worth exceeds \$1 million, can enter into with a management, securities management placement company an opportunity to have a special type of contract. Under current law an investment advisor shall not be compensated on anything other than a straight commission. What these provisions are designed to do is to allow a very large contract situation the opportunity to put a special contract together which would allow the investment advisor to be in a shared equity position. So they may have an option now rather than having a, say, a 1 percent commission standard, may offer that at a lesser rate conditioned upon the fact then that they share in any capital gains that would be incurred by that investment. It's a situation where what we're changing then is simply allowing the director to enter into and establish a rule in given situations for this kind of activity. And so with that I offer this to the body for approval.

SPEAKER BARRETT: Thank you. Questions? Discussion? Seeing none, those in favor of the advancement of LB 938 to E & R please vote aye, opposed nay. Have you all voted? Please record.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of 938.

SPEAKER BARRETT: LB 938 is advanced. Mr. Clerk, I'd like to revert momentarily to LB 834.

CLERK: Mr. President, 834 was a bill introduced by Senator Haberman. (Read title.) Introduced on January 3 of this year, referred to the Retirement Systems Committee, advanced to General File. I have no amendments to the bill.

SPEAKER BARRETT: The Chair recognizes Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the body, as it stands now a state employee, to join the State Retirement System, must be 25 years old with 12 months of service. So we take a young person that gets out of high school, they're 18. Possibly they don't care to go on to college, but they're good with computers, they're good secretaries, they want to go down to the local district office of the state highway patrol, get a job. So this young person gets a job at 18 and then they have to wait seven years before they can join the retirement system. I think that's wrong. Let's take a young person, they get out of high school at 18, they go to a tech school, they pick up a skill there, whatever it might be, mechanics or drawing or architecture, whatever it is, they go to work for the State of Nebraska at 20-years-old and they have to wait five years before they can join the retirement system. I think that's wrong. Let's take someone that goes to college. When they get out of college they are 22-years-old. They want to go to work for the State of Nebraska. They get the job, then they find out they have to wait three years before they can join the retirement system. I feel, and I know you feel that that is wrong also. Now we want to keep the young people in Nebraska, yet we are penalizing them, we penalize them when they want to go to work for the State of Nebraska, be it highways, social services, Department of Agriculture, Correctional Services, Department of Education, Health Department or what have you. So the bill simply changes the 25 years age to 20 years, then they can voluntarily join after they have worked for the state for 12 months. I ask for the passage of LB 834, Mr. President.

SPEAKER BARRETT: Thank you. Discussion? Questions? If not, those in favor of the advancement of LB 834 to E & R please vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of LB 834.

SPEAKER BARRETT: LB 834 advances. Proceeding then to LB 987.

PRESIDENT: Okay, Senator Rod Johnson.

SENATOR R. JOHNSON: Mr. President and members, there was some confusion about whether the A bill or at least Senator Schimek's amendment was necessary. But I think, with the adoption of my earlier amendment this morning, it clarifies a lot of those problems. And, in talking with my legal staff who has talked with the Fiscal Office, they seem to feel there is no need for any amendments to the A bill and the A bill should stay as it's currently written. So I would just move for the bill's advancement.

PRESIDENT: Thank you. Senator Morrissey, please. No. Did you wish a closing, Senator Rod Johnson? The question is the advancement of the A bill. All in favor vote aye...say aye. Opposed nay. It is advanced. Things for the record, Mr. Clerk?

ASSISTANT CLERK: Mr. President, I have a motion on the desk. Senator Schmit would move to return the bill to Select File for specific amendment.

SPEAKER BARRETT: Senator Schmit, please.

SENATOR SCHMIT: Mr. President and members, I had hoped very earnestly that this bill would come up yesterday. I believe that this is one example of why perhaps we ought to seriously consider abolishing consent calendar. I was not on the floor at any time during the period of time that LB 1183 was discussed, either on General File or on Select File. I came on the floor during the reading of LB 1183 and was somewhat shocked to follow the reading and discover that this Legislature was in the process of making it a felony, a Class IV felony if any corporation or company failed to pay its taxes on time, and I discussed it just briefly with some of my fellow legislators, and they said, well, this is just personal taxes. But upon a very close reading of the bill, it did not appear to me to be that it only applied to personal taxes, and even then, I would have been opposed to it. My deep concern is that we have by the passage of this bill made it a felony, punishable by a \$10,000 fine and each day is a new offense, ladies and gentlemen, punishable by a similar type of fine, if you do not pay your taxes when due. Now there may be some of us in here who believe that it is easy to pay taxes, either personal or real, but that is not true. It is frequently true that we are not able to pay our taxes on time, and for that reason, we have required that a 14 percent interest charge be assessed against delinquent taxes. That, in itself, is a serious enough penalty in my estimation. What is even more concern to me is that we would indicate by this bill that there is a decision process left up to the local county attorney, I would...I suppose, if the situation is to be prosecuted or not because it says that if such officer willfully fails to pay the tax due to the county treasurer when so notified, he or she shall be guilty of a Class IV...felony, changed from a misdemeanor. It also says that he may be prosecuted. Now, ladies and gentlemen, we have seen enough of the preferential treatment that can happen to certain individuals in the commission of crimes without extending it to this kind of an act. I would suggest that if anyone of us in

that and hope, hope you will override the veto.

SPEAKER BARRETT: Thank you. The question is, shall LB 1043 become law notwithstanding the gubernatorial veto? All in favor vote aye, opposed nay. Have you all voted? Please record.

CLERK: (Record vote read. See page 2054 of the Legislative Journal.) 35 ayes, 7 nays, Mr. President, on the override of LB 1043.

SPEAKER BARRETT: The veto of LB 1043 is overridden.

CLERK: Mr. President, Senator Haberman would move that LB 834 become law notwithstanding the objections of the Governor.

SPEAKER BARRETT: Senator Haberman.

SENATOR HABERMAN: Mr. President, and members of the body, it pleases me to say that this does not cost any money. This is a bill that is equity and fairness. It keeps young people in Nebraska and it goes like this. For a young person to join the state retirement system, they have to be 25-years old before they can voluntarily join the system. So that means someone out of high school can learn to run tractors and trucks, want to go work for the state, and he has to wait two years. If somebody goes to voc-tech school and learns a trade, mechanics, bookkeeping, computer work, and they are 20-years old and they want to go to work for the State of Nebraska, they have to wait until they are 25. I don't think that is fair. Now during 1988, there was \$998,000 of forfeitures from state employees who were terminated before they were vested. During 1989, there was \$765,000 forfeited. The forfeited money goes back into the General Fund and, therefore, the estimated fiscal impact of \$160,000 will be and is covered by the forfeiture. The way the system works, PERB takes their operating money out of forfeitures. What money is left over goes to the General Fund. It is true that each of the agencies would still need to contribute more if an employee chooses to participate in the system, but the overall General Fund will not be hurt because there is still plenty of money of forfeitures each year to cover the additional cost. ERISA, the federal government, has ruled that all businesses must allow 19-year olds to join the retirement system if they so wish at 19 and not at 25. In the State of Nebraska, if you are a county employee, you may voluntarily join the system and there is no age limit. A school

It doesn't cost any more money. It doesn't cost any money. It will keep young people in Nebraska. It will want them to help work for the state and do a good job for the state and I ask for your override. Thank you, Mr. President.

SPEAKER BARRETT: Thank you. Discussion? Senator Elmer, followed by Senator Schellpeper.

SENATOR ELMER: Thank you, Mr. Speaker. To be very brief, and Senator Haberman said it and said it well, all private businesses are required to allow their employees to participate when they're 19. I think the state should go at least as low as 20 to give consideration, allow these young people to accumulate a little more for retirement. It's not going to cost the state any money. I would urge your override. Thank you.

SPEAKER BARRETT: Thank you. Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Mr. Speaker, and members, I also rise to support this override. We have some very dedicated employees in this state and I think this is just another thing we can do for the employees. So I think Senator Haberman said it all and I would just move for the override.

SPEAKER BARRETT: Thank you. Anything further, Senator Haberman? If not, the question is, shall LB 834 be overridden? All in favor vote aye, opposed nay. Have you all voted? Please record.
