

it, motion carried, the bill is advanced. Any items for the record, Mr. Clerk?

CLERK: Mr. President, yes, I do. Mr. President, your Committee on General Affairs whose Chair is Senator Smith to whom was referred LB 1102 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File, and LB 1236 General File, both signed by Senator Smith as Chair. (See page 703 of the Legislative Journal.)

Mr. President, Senator Beck would like to print amendments to LB 163. (See page 703 of the Legislative Journal.)

New A bills. (Read LB 843A and LB 910A by title for the first time. See page 703 of the Legislative Journal.) That is all that I have, Mr. President.

SPEAKER BARRETT: Thank you. The Chair is pleased to note that in our south balcony we have a number of guests representing the Nebraska Society of Radiologic Technologists. Would you people please stand and be recognized by your Legislature. Thank you. We're pleased to have you with us. Also, Senators Kristensen and Smith have a guest under the north balcony, Jean Korth from Hastings. Jean, would you please stand and take a bow. Also, visitors from Senator Korshoj's district, John and Joyce Broderson from Herman, Nebraska, under the south balcony. Would you people please stand and be recognized. Thank you. We're pleased to have all of you guests with us this morning. Proceeding to item number eight on the agenda, consent calendar, and on to item nine, General File, consent calendar bills. Again, the following rules, or the rules that have applied to consent calendar in the past are applicable today. If three members of the Legislature object to a bill being considered today, they can advise the Chair in writing. If the debate extends beyond 15 minutes and the introducer is not closing, the bill will be removed from consent calendar. Mr. Clerk, LB 610. Excuse me, for what purpose do you rise, Senator Haberman?

SENATOR HABERMAN: I would like to rise, a question of the Chair and a point of clarification, ask the Chair a question, a point of clarification.

SPEAKER BARRETT: Proceed.

SENATOR HABERMAN: Would you please explain to the body the

enrollment program can function in this state and I think it gave them a much better understanding of it and it also gave them an opportunity to have their input into changes that were necessary. And I think, through 843, we answer most of those problems that they had with choice and I think it's going to work very well as we implement it. So, with that, I would urge your advancement of the bill. Thank you.

SPEAKER BARRETT: Thank you. The question is the advancement of LB 843 to E & R Initial. Those in favor of that motion vote aye, opposed nay. Shall LB 843 be advanced? Have you all voted? Please record.

CLERK: 25 ayes, 0 nays on the advancement of 843, Mr. President.

SPEAKER BARRETT: LB 843 is advanced. The A bill, Mr. Clerk.

CLERK: LB 843A, Mr. President, introduced by Senator Baack. (Read title.)

SPEAKER BARRETT: Senator Baack, please.

SENATOR BAACK: Yes, Mr. Speaker and colleagues, the A bill, as it presently is written, is purely funds for the Department of Education as they implement the open enrollment program. They did, during last summer, they put in an 800 number for people to call in to ask questions about choice, served a very useful purpose. It took a lot of the pressure off of my staff from having to answer a whole lot of questions. And they have done an excellent job in implementing the open enrollment bill. And this just calls for some salaries and some continuation of the funding to implement this legislation. And, as I stated earlier, if LB 1059 does not pass, then at that point I will have to make the adjustments in 843A to reflect the actual cost of the transfers that are taking place. Hopefully, by that time we'll have a better idea of how many transfers are going to actually take place and I will be...if 1059 does not pass, I will be offering the amendment to add the dollars in to implement the open enrollment bill. With that, I would just urge its advancement. Thank you.

SPEAKER BARRETT: Thank you. Discussion on the A bill? Seeing none, those in favor of its advancement please vote aye, opposed nay. Shall LB 843A be advanced? Record, please.

CLERK: I do, Mr. President. Amendments to be printed to LB 1136 by Senator Landis. (See page 1289 of the Legislative Journal.)

Your Committee on Enrollment and Review respectfully reports they have carefully examined and engrossed LB 164 and find the same correctly engrossed; LB 164A, LB 259A, LB 260, LB 260A, LB 313, LB 313A, LB 348, LB 542, LB 594, LB 678, LB 855, LB 855A, LB 953, LB 953A, LB 965, LB 980, LB 980A, LB 1032 and LB 1236, all of those reported correctly engrossed. (See pages 1289-92 of the Legislative Journal.)

I have an explanation of vote from Senator Barrett, Mr. President. (See page 1292 of the Legislative Journal regarding LB 642.)

That's all that I have.

SPEAKER BARRETT: Thank you. The Chair is pleased to note that Senator Ashford had some fourth graders from Christ the King School in Omaha, District 6, with their teacher. Are you folks still with us in the south balcony? Apparently they have just left. Mr. Clerk, LR 239CA.

CLERK: Mr. President, LR 239CA was a resolution introduced by Senators Withem, Warner, Lindsay, Barrett and Weihing. It proposes an amendment to Article VII, Sections 10 and 13 of the Nebraska Constitution as well as Article XIII, Section 1. The resolution was introduced on January 16 of this year. At that time, Mr. President, it was referred to the Education Committee for public hearing. The resolution was advanced to General File. I do have Education Committee amendments pending.

SPEAKER BARRETT: The Chair recognizes the Chairman of the Education Committee, Senator Withem.

SENATOR WITHEM: Yes, Mr. Speaker, members of the body, this is the time of year when you would rather not have your personal

that we can do a lot to help these children in their classrooms and stir continued interest in the Legislature and in the legislative process, and perhaps give a lot of people, including civic clubs and others, a deeper understanding of our process, what we go through and how we labor in the vineyards. And so, as I said, we can do it all in-house. There will be an oversight committee. And I have no doubt that the video production will be an enormous hit, and I would urge the body to adopt the amendment. Thank you.

PRESIDENT: Thank you. The question is the amendment to the...the adoption of the amendment to the amendment. All those in favor vote aye, opposed nay. Senator Barrett. Senator Barrett. Thank you. Record, Mr. Clerk, please.

CLERK: 25 ayes, 9 nays, Mr. President, on adoption of Senator Barrett's amendment.

PRESIDENT: The amendment to the amendment is adopted. Something for the record, Mr. Clerk, please?

CLERK: Yes, Mr. President, I do have some items for the record. Senator Nelson has amendments to be printed to LB 656; Senator Schmit to LB 1031; Senator Warner and Withem to LB 1141. Enrollment and Review reports LB 1059, LB 1059A, LB 1244, LB 843, LB 843A, LB 551A, LB 1063A all to Select File. (See pages 1333-39 of the Legislative Journal.)

Mr. President, the next amendment to the committee amendments I have is offered by Senator Withem. (Withem amendment appears on page 1339 of the Legislative Journal.)

PRESIDENT: Senator Withem, please.

SENATOR WITHEM: Mr. President, members of the body, this is an amendment somewhat similar to the last one dealing with our legislative process. Increased appropriation to the Legislative Council to the tune of \$20,000. The purpose of this is to fund ongoing telecommunication, actually it says television, maybe it should say telecommunication, if people are interested in changing that, we can do so, if this gets adopted, with another amendment or a Select File amendment...televise legislative hearings. Over the past year we have had two major interactive teleconferences with legislative leadership hearing people testifying on issues of concern to the public, we questioning

April 2, 1990

LB 843A, 843

SENATOR SCHELLPEPER: And the funding for the bill is still about 1.1 million?

SENATOR BAACK: Well, the funding for the bill will be coming up in the A bill, and we'll be talking about that in a little bit, but what it will do is it will provide that the funding in 1059, this will be part of the distribution of the funding in 1059, so if 1059 passes, survives the veto, survives the referendum, whatever may be, if it does that then this will just be part of the mechanism. If it does not, if something happens to 1059, then there would be a half a million dollars appropriated for doing choice and if a half a million, which is what they figure it will take for next year for about 150 kids are going to be approved for choice, that's how many dollars it should take. If there is not enough money in the 500,000 that would be appropriated, then it would be prorated, the \$500,000 would simply be prorated. Each one would be reduced an equal amount so that each school would receive the same amount of money.

SENATOR SCHELLPEPER: Thank you.

SPEAKER BARRETT: Any other discussion? Seeing none, Senator Baack, any closing? Thank you. The question is the adoption of the Baack amendment to LB 843. Those in favor vote aye, opposed nay. Record, please.

CLERK: 28 ayes, 0 nays, Mr. President, on adoption of Senator Baack's amendment to the bill.

SPEAKER BARRETT: The amendment is adopted.

CLERK: I have nothing further on the bill, Mr. President.

SPEAKER BARRETT: The Chair recognizes Senator Lindsay.

SENATOR LINDSAY: Mr. President, I move that LB 843 as amended be advanced to E & R for engrossment.

SPEAKER BARRETT: Is there discussion? If not, shall LB 843 be advanced? All in favor say aye. Opposed no. Motion carried, the bill is advanced. To the A bill, Mr. Clerk. (LB 843A)

CLERK: Mr. President, the first item on the A bill is an amendment to the bill by Senator Baack. Senator, I have your

AM3165 in front of me. (See pages 1795-96 of the Legislative Journal.)

SPEAKER BARRETT: The Chair recognizes Senator Baack.

SENATOR BAACK: Yes, Mr. Speaker and colleagues, this simply is an amendment to the A bill and this...I will reiterate my conversation with Senator Schellpeper on this because what it says is that the funds for choice or option enrollment will come out of the funds for LB 1059. It will be part of the distribution of the funds for LB 1059 and should LB 1059 not pass or not be overridden or for some reason not be in place, then there would be a half a million dollars that would be appropriated from the General Fund to fund the choice and right now there are 150 students who have been approved for option enrollment and this would fully fund those. If it would go for more students, if there would be more students that would come in and use this, then the monies would simply be prorated. It would not add additional dollars. The monies would simply be prorated and each school would receive just a little bit less for each student that would transfer. With that, I'd be glad to answer any questions if there are any.

SPEAKER BARRETT: Thank you. Senator Moore, for purposes of discussion, please.

SENATOR MOORE: Well, yes, I have just a couple of questions of Senator Baack and on the funding side. You answered in your opening that basically this is a lid for the first two years that the maximum amount of dollars could be appropriated, correct, Senator Baack? That's why you say it's the most it could be?

SENATOR BAACK: Yes, that is correct.

SENATOR MOORE: Okay. Has there been any projection as to a cost in '92-93? I mean, are you thinking it would go up more next biennium, '92-93 fiscal year? Is there a projection on what your cost would be for that?

SENATOR BAACK: There is a possibility it may go up some, but if the experience here is not that much different than Minnesota, you won't see a big increase, but I would think that the majority of the students that are going to participate in this program are probably going to do it in the first couple of

April 2, 1990

years.

SENATOR MOORE: Okay, so...but, basically, if 1059 fails, the impact in this bill would be 140...about a million dollars each year, correct?

SENATOR BAACK: Yeah, \$500,000 the first year and about a million, million one the next year.

SENATOR MOORE: Well, you mentioned, I guess that 500,000 in Section 4, the 954,000 from the General Fund. Okay, that's, okay, I understand. All the questions I have, Senator Baack.

SENATOR BAACK: Okay, thank you.

SPEAKER BARRETT: Any further discussion? Anything further, Senator Baack? Thank you. To the advancement of the A bill. The question is the adoption of the Baack amendment to LB 843A. Those in favor vote aye, opposed nay. Record, please.

PRESIDENT: Thank you. Senator Baack, are you going to close on this?

SENATOR BAACK: Yes, just briefly, Mr. President. Senator Warner is correct, there is some dollars in there for the Department of Education as they implement this bill and they have the right kind of staff people to do it, but those are the only dollars that are left in this bill. The rest of the money is going to be part of the distribution formula for LB 1059, but we do need both 843 and the A bill, even. We need both of those because they talk about the implementing language as to how this is to be done. With that, I would urge you to override the veto.

PRESIDENT: Thank you. The question is, shall LB 843 become law notwithstanding the Governor's veto? All those in favor vote aye, opposed nay. Ladies and gentlemen, we are on Final Reading. CLERK: Mr. President, Senator Baack would move that LB 843A become law notwithstanding the objections of the Governor.

PRESIDENT: Senator Baack, please.

SENATOR BAACK: Yes, Mr. President, and colleagues, this is the A bill that talks about the implementation language of making the choice as part of the distribution of the monies under LB 1059. It does contain \$57,000 I think for the Department of Education as they implement choice. They have set up a hot line and they have hired some people to make sure that choice is implemented properly across the state, and they have put out handbooks so the parents know about choice, and they can make

those choices wisely as they make their choices. So with that, I would urge you to override the veto on 843A.

PRESIDENT: Thank you. The question is, shall LB 843 (sic) become law notwithstanding the Governor's veto? All those in favor vote aye, opposed nay. LB 843A, excuse me. Have you all voted? Record, Mr. Clerk, please.

CLERK: Mr. President, Senator Carson Rogers would move that LB 1004 become law notwithstanding the objections of the Governor.

PRESIDENT: Senator Rogers.

SENATOR ROGERS: Mr. President, members, I hope you all glanced at the two or three sheets we just passed out a little bit ago. This is a bill that we talked about not that many bills that have favored agriculture, this is the bill that would really favor the pork producers. I will give just a few figures and then I will let someone else carry on. The cost to the state the first year is \$776,000. The total cost would be \$2,600,000. In other words, what I am saying, the industry percent of the cost the first year, industry will pay 70 percent of it. The second year is 900,000. The total cost is \$2,790,000. The producers would bear 67 percent of that cost, and this doesn't include the millions of dollars that producers would lose directly. I am sorry some of you received some misinformation from a producer in central Nebraska. I have tried to answer your questions. There was things that was in that letter that were strictly not true. I know some of you still are leaning, you think what he said is the truth, but I can answer any of those questions and tell you what is actually the truth. I stated before and I will state again that I will come back, lord willing, next year and work with the pork producers, which I tried to do this year, and come back next year and the producers would help fund this in future years. And I just ask for the override of the Governor's veto.

SPEAKER BARRETT: Thank you. Discussion? Senator Elmer, followed by Senator Schellpeper.

SENATOR ELMER: Thank you, Mr. Speaker. To be very brief, and Senator Haberman said it and said it well, all private businesses are required to allow their employees to participate when they're 19. I think the state should go at least as low as 20 to give consideration, allow these young people to accumulate a little more for retirement. It's not going to cost the state any money. I would urge your override. Thank you.

SPEAKER BARRETT: Thank you. Senator Schellpeper.

SENATOR SCHELLPEPER: Thank you, Mr. Speaker, and members, I also rise to support this override. We have some very dedicated employees in this state and I think this is just another thing we can do for the employees. So I think Senator Haberman said it all and I would just move for the override.

SPEAKER BARRETT: Thank you. Anything further, Senator Haberman? If not, the question is, shall LB 834 be overridden? All in favor vote aye, opposed nay. Have you all voted? Please record.

CLERK: (Record vote read. See pages 2054-55 of the Legislative Journal.) 31 ayes, 0 nays, Mr. President, on the override of LB 834.

SPEAKER BARRETT: LB 834 is overridden. And let the record show that the Chair is certifying that the Legislature has overridden the following vetoes, notwithstanding the objections of the Governor, LB 834, LB 1043, LB 1222 and LB 1222A, LB 1170, LB 1004 and LB 1004A, LB 843 and LB 843A, LB 1059 and LB 1059A, LB 1126, LB 11...excuse me, LB 536, LB 42 and LB 42A, LB 164 and LB 164A, LB 1031, LB 503, and LB 503A, LB 163 and LB 163A, and LB 834. Anything for the record at all, Mr. Clerk?
