SPEAKER BARRETT PRESIDING

SPEAKER BARRETT: Good morning, ladies and gentlemen. Welcome to the George W. Norris Legislative Chamber on this the 20th day of the Second Session of the Ninety-First Legislature. Our Chaplain this morning, Dr. John Wagner, President of Union College. Mr. Wagner.

DR. WAGNER: (Prayer offered.)

SPEAKER BARRETT: Thank you, so much, Mr. Wagner. We hope you can come back again. Roll call.

CLERK: I have a quorum present, Mr. President.

SPEAKER BARRETT: Thank you. Any corrections to the Journal?

CLERK: No corrections, Mr. President.

SPEAKER BARRETT: Any announcements, reports or messages?

CLERK: Mr. President, your Committee on Enrollment and Review respectfully reports they've carefully examined engrossed LB 37 and find the same correctly engrossed; LB 240A, correctly engrossed; LB 409, LB 422, LB 465, LB 543, LB 678, LB 678A, all of those reported correctly engrossed, all signed by Senator Lindsay as Chair of the E & R Committee. (See pages 612-16 of the Legislative Journal.)

Mr. President, Senator Smith has designated LB 1124 as her personal priority bill this session. Senator Haberman has selected LB 953 as one of the Retirement Systems Committee's priority bills. Senator Smith has designated LB 863 as one of the General Affairs Committee priority bills. And Senator Carson Rogers selected LB 1004 as his personal priority bill. That's all that I have, Mr. President.

SPEAKER BARRETT: Thank you. The Chair has a very special announcement at this point. Today, February 1st, is the birthday of Senator Carson Rogers. Senator Rogers has provided the treats on each of the desks this morning. Happy birthday, Senator Rogers. Mr. Clerk, to Item 5, on General File, 1990 priority bill.

CLERK: Mr. President, LB 81 was a bill introduced originally

think we really got the job done. And in talking to some of the pork producers, they didn't think we did either. And so I think this is the next step. One thing we need to remember that the swine industry adds a lot to the economy in Nebraska and so if we can help the swine industry, if we can help this industry, I think we should be doing it. And it looks to me like this will certainly help control and eradicate pseudorabies in our swine herds. So I would urge you to support this bill.

SENATOR HANNIBAL: Thank you, Senator Hefner. Senator Rogers, there are no other lights on, would you care to close?

SENATOR ROGERS: Yes. Thank you, Mr. Speaker, and members, I might just mention a few things that someone asked me about if you have a herd and you're tested and you're positive, what can you do with these animals? If they are at market weight, you can go ahead and market these animals. It has no affect whatsoever on the meat. I assure you, you don't want to have it in your herd because it will take a long time to get them to market. But anyway it has no effect on the meat. Someone asked me, where do we rank? I think we rank fourth or maybe fifth. I think we rank fourth in the nation in swine production as of now. At the present time, some of the things that we did do in the control bill, I might mention, someone asked me...they had heard that we test our herd once a year, to sell feeder pigs in Nebraska, as of right now, you have to test your herd. It's basically no big deal. If you have five or six hundred sows, statistically you only have to test, I think it's 32 or 33 of those animals once a year. So for the first couple of years, as far as the producers paying for this testing, it is no great hardship one way or the other. And I guess I will just ask for the advancement of the bill.

SENATOR HANNIBAL: Thank you, Senator Rogers. You have heard the closing. The issue before you now is the advancement of LB 1004. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 28 ayes, 0 nays, Mr. President, on the advancement of LB 1004.

SENATOR HANNIBAL: LB 1004 is advanced. To LB 863, Mr. Clerk.

CLERK: Mr. President, 863 was a bill introduced by Senator Smith. (Read title.) The bill was introduced on January 3 of

this year, referred to the General Affairs Committee for public hearing. The bill was advanced to General File. I have no amendments to the bill, Mr. President.

SENATOR HANNIBAL: Senator Smith, on LB 863, please.

SENATOR SMITH: Thank you, Mr. President. LB 863 was brought to the committee, to myself as the Chairperson of the committee, by the State Electrical Board. In order for us to update the 1990 edition of the National Electrical Code which is numbered now the 70-1990. What this bill does is two things...basically, one thing. It simply does the update, every three years this has to be done because of an Attorney General's Opinion, when the statute was originally drafted, stating that each specific edition, which is on a three-year basis, of that code had to be referenced every time that happened. And so what this does is simply then update that in the statutes. And that's the only part that's been changed in the bill itself, the current statute, except for a few things such as bill drafting language, words like "promulgate" and on page 3, "such" being changed to "the". That's all the bill does. And I would ask the body to support the bill.

SENATOR HANNIBAL: There are no lights on Senator Smith, do you waive closing?

SENATOR SMITH: I waive closing. Thank you.

SENATOR HANNIBAL: You've heard the issue. The issue before you is the advancement of LB 863. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays, Mr. President, on the advancement of LB 863.

SENATOR HANNIBAL: LB 863 is advanced. Moving on to LB 980, Mr. Clerk.

CLERK: Mr. President, LB 980 was introduced by the Transportation Committee and signed by its members. (Read title.) The bill was introduced on January 4 of this year, referred to the Transportation Committee for public hearing. The bill was advanced to General File. I have committee amendments pending by the Transportation Committee, Mr. President.

Mr. President, I now have a series of amendments to both the committee amendments and the bill. The first amendment to the committee amendments that I have is by Senator Smith. Senator Smith's amendment is found on page 1195 of the Journal, Mr. President.

PRESIDENT: Senator Smith, please.

SENATOR SMITH: Thank you, Mr. President, members of the body, you have a very simple amendment before you, AM2659, in the Journal. It's simply asking, and I do want to, I guess, begin by thanking the Appropriations Committee for the recommendation that they have made for a \$212,000 increase to programs, which are being provided under the Community Aging Services Act, commonly known as CASA. This amount though is about a seventh of the amount of money that was originally requested and we can go back in history a little bit, and you have been handed a fact sheet on CASA which is...you will see it appears to be a little thing with a little State of Nebraska and the breakdown of the eight area agencies in the state, which was handed out by the Nebraska Association of Area Agencies on Aging, telling you all about what CASA is, the historic information about CASA, what the problem is, and so on. And you will recall that the Community Aging Services Act was enacted by the Legislature in 1982. It was intended to provide comprehensive aging service programs throughout Nebraska by 1984. At that time, the cost to the state was supposed to be a little over \$2.5 million. Well, we all know that, as many times as I have talked about this, the money was not funded, it was partially funded, and what even
