PRESIDENT: Thank you. Do you have any messages, reports or announcements? Mr. Clerk, do you have any messages, reports or announcements?

CLERK: Mr. President, I do. I have a reference report referring LBs 818-880, signed by Senator Labeledz as Chair of the Reference Committee. I have also a reference report regarding certain gubernatorial appointments made since the last special session. That's all that I have, Mr. President. (See pages 135-37 of the Legislative Journal.)

PRESIDENT: We'll move on to number four, the temporary rules.

CLERK: Mr. President, I have a motion. Senator Lynch as Chair of the Rules Committee would move that the rules be adopted for today only, January 4.

PRESIDENT: Thank you. Senator Lynch.

chance for justice in these courts, a perfect poor man's chance, which means no chance. We see that even with the present system. There are inequities and unfairnesses in the way the courts operate. We are going to build in an additional level that encourages unfairness and arbitrariness by the State Supreme Court. I am opposed to this bill. I think what would have been responsible would be to have public hearings...

SENATOR LABEDZ: Time is up, Senator Chambers. Senator Abboud. Mr. Clerk, do you have something to read in?

CLERK: Yes, Madam President, I do, new bills. (Read for the first time by title: LB 1102, LB 1103, LB 1104, LB 1105, LB 1106, LB 1107, LB 1108, LB 1109, LB 1110, LB 1111. See pages 279-82 of the Legislative Journal.)

Mr. President, I have notice of hearing from the Government Committee. That is signed by Senator Baack as Chair of the committee. (Re: LB 970, LB 1009, LB 893, LB 874, LR 233CA. See page 281 of the Legislative Journal.) That is all that I have, Madam President, at this time.

SENATOR LABEDZ: Thank you, Mr. Clerk. Senator Abboud. Senator Landis.

SENATOR LANDIS: Madam Speaker, members of the Legislature, if you could imagine a process by which we, as legislators, were asked not just to rule on the bills that we introduce but on every idea given to us by our constituents and every idea given to us at the behest of the citizens of the State of Nebraska, you'd approximate the situation that the Supreme Court finds itself in. Their work load is not of their own making. We, as the legislative branch make our own work load collectively by being able to say yes or no to the ideas our constituents bring to us. Every now and then we say, okay, fine, I will draft it and we'll introduce it. My guess is for everyone of those, you have got two or three bills that are suggested to you that you say I don't think it will work or I would rather not carry that. Best of luck, maybe you have got another avenue, but, in fact, we can't take that...I am not going to take that problem on. Maybe we don't do it enough but we do it. But imagine a Legislature in which any person in the State of Nebraska could provide us a bill idea that we would have to draft into bill form, hold a public hearing on, have a debate on this floor, and then write our decisions as a body, not just our own individual

PRESIDENT: The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

ASSISTANT CLERK: 25 ayes, 0 nays on the advancement of the bill, Mr. President.

PRESIDENT: LB 857 advances. LB 874, please.

ASSISTANT CLERK: LB 874 was introduced by Senator Haberman. (Read title.) The bill was read for the first time on January 3rd, was referred to the Government Committee, which reports the bill to General File.

PRESIDENT: Senator Haberman, please.

SENATOR HABERMAN: Mr. President, members of the body, this legislation was brought to me by the County Officials Association. It was advanced to the floor by the Government, Military and Veterans Affairs Committee. Six yes votes, no no votes, no amendments, no opponents. All it does is in the law now the law says that the county budget shall be submitted on or before July 15th each year. Another section of the law says it requires submission of the county budget no later than the first day of August each year. So the statutes are in conflict. All this bill does is says it changes the date that the budget shall be submitted on one date, August 1st each year. That's the bill. I would ask for your approval. And a question, Mr. President. Do I have to have 30 votes on this advancement, or in the end? What do you mean no?

PRESIDENT: Do you mean how many votes you have to have...

SENATOR HABERMAN: It's got the emergency clause.

PRESIDENT: Twenty-five votes.

SENATOR HABERMAN: Okay, thank you.

PRESIDENT: Okay. The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

ASSISTANT CLERK: 25 ayes, 0 nays on the advancement of the bill, Mr. President.

PRESIDENT: The bill is advanced. LB 893, please.

ASSISTANT CLERK: LB 893 was introduced by Senator Lynch. (Read title.) The bill was read for the first time on January 3rd, was referred to the Government Committee, which reports the bill to General File, Mr. President.

PRESIDENT: Thank you. Senator Lynch, please.

SENATOR LYNCH: Yes, Mr. President, members, this bill was brought to me by thousands of under-reimbursed county officials. (Laughter.) Thought I'd create a little excitement on the floor here. But I lie. I think there was one or two that mentioned it to me. What it...seriously what it does, the IRA, in case you're not concerned that's the Internal Revenue Service, has increased from whatever it was to 25.5 cents a mile their reimbursement. This provides that for county officials only, only county officials across the State of Nebraska, in the metropolitan and greater Nebraska areas (laugh) reimbursement to 24.5 cents a mile. I'd ask for your consideration and support.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

ASSISTANT CLERK: 25 ayes, 0 nays on the advancement of the bill.

PRESIDENT: The bill is advanced. LB 918, please.

ASSISTANT CLERK: LB 918 was introduced by Senator Hannibal and a number of other members. (Read title.) The bill was read for the first time on January 3rd, was referred to the Government Committee, which reports the bill back to General File, Mr. President.

PRESIDENT: Senator Coordsen, please. Senator Hannibal, excuse me.

SENATOR HANNIBAL: Thank you, Mr. President, members of the Legislature. LB 918 is a fairly simple bill. Has a substantial change in the...in law that allows for our rural and suburban fire districts that have been traditionally called volunteer, we're changing statutes to allow them to have paid employees as

LB 855 is identical with the animal damage control bill that we passed through Final Reading and sent to the Governor last year and was a casualty in the funding crisis that we had sent to her desk. This particular program is one that is supported by the USDA Department of Agriculture, animal damage control people, that assist with funds to the state in controlling animals that are a nuisance and are predatory animals. Several western counties have been funding local programs in their counties independently of the state and receiving federal aid in their efforts. The livestock, sheep, poultry industry in the state are very interested in this bill. We heard it in Agriculture Committee January 23. We had nine different persons representing themselves and different agencies and units, such as the Nebraska Animal Damage Control Board of the USDA, Nebraska Farm Bureau, the Game and Parks Commission,
