(See page 88 of the Legislative Journal.) All of those reports will be on file in my office subject to review by members upon their request. That is all that I have, Mr. President.

PRESIDENT: Thank you. (Gavel.) Ladies and gentlemen, we're ready to begin the introduction of bills and some of you I understand would like to hear what the bills are about, so while I don't wish to spoil your fun and visitation with each other, kindly hold it down so that those that wish to listen to the introduction of the bills may do so. We anticipate that this will probably go on until about noon and, of course, free to do whatever you would like to do. Thank you. Mr. Clerk, the introduction of bills.

SPEAKER BARRETT PRESIDING

SPEAKER BARRETT: Thank you. Proceeding to the next item on...from the Rules Committee. Chairman Lynch.

SENATOR LYNCH: Mr. President, members, the next one is number nine identified on your list. It specifies that a motion to suspend the rules is not divisible. The reason for this, without reading it all but putting it hopefully in laymen's terms so we can understand it, is that when a motion to suspend the rules is attempted it's intended to accomplish only one thing. You don't suspend the rules to accomplish three, four, five or six different things. But, if the amendment that would accomplish one thing would, for example, suspend Rule 1, Section 2, Rule 2, Section 3, Rule 3, Section 4, because it's necessary to do that to identify those sections of the rules that serve that single purpose, you cannot divide the question and take any one of those three rule changes independently. I think, Mr. President and members, that explains the purpose and intent of this rule change and would suggest that we support it.

SPEAKER BARRETT: Thank you, Senator Lynch. Discussion on the proposal...proposed change number nine? Senator Chambers, please.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, let me tell you what the real purpose of this rule change is. There have been attempts at various times to suspend the rules so that there can be no debate or discussion or amendment on bills, and I have indicated that I would divide that question. So the purpose of the rule is to prevent that from happening. So however many things are put into a rule suspension will have to be taken as a package. In some instances you may have a situation where people will think and believe that you should be able to suspend the rules for the purpose of taking a vote without any additional debate, amendment and so forth. And maybe that is all right. Naturally, I'm opposed to it because

CLERK: Yes, Mr. President, I do. Mr. President, Senator Kristensen has amendments to be printed to LB 159; Senator Withem to LB 259A. (See pages 830-32 of the Legislative Journal.)

A new resolution, LR 256 by Senators Wesely, Withem, Bernard-Stevens. (Read brief explanation. See pages 832-33 of the Legislative Journal.) That will be laid over.

An announcement from the Speaker regarding afternoon sessions next Tuesday, Mr. President; a reminder of the membership. Confirmation report from the Nebraska Retirement Systems Committee. That is offered by Senator Haberman.

Bills have been presented to the Governor, Mr. President, as of 10:43 a.m., those read on Final Reading this morning. (Re: LB 50, LB 143, LB 240, LB 240A, LB 465, LB 350, LB 350A, LB 692, LB 742.) LR 8 presented directly to the Secretary of State.

A new A bill, LB 1080A by Senator Schellpeper. (Read for the first time by title. See page 834 of the Legislative Journal.)

Mr. President, Revenue Committee reports LB 844 to General File, LB 919 to General File, LB 1183 General File, and LB 1082 as indefinitely postponed. Those all signed by Senator Hall.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 903.

CLERK: LB 844 by Senator Baack. (Read title.) The bill was introduced on January 3, referred to Revenue, advanced to General File. I have no amendments to the bill.

PRESIDENT: Senator Baack, please.

SENATOR BAACK: Yes, Mr. President and colleagues. This is another very simple bill. It just makes a change in the requirement for when the first notice is given when property is taken by a distress warrant. And it says that the first notice will be given within nine days, rather than within five days. This is done simply for the areas of the state that have only a weekly newspaper, and they cannot abide by the state statute of notify...of giving public notice of property taken on distress warrants within five days. If that property is taken on a Wednesday, they have to wait clear until the next Thursday before that can be published because that is when most of the weekly newspapers come out. This will just allow them to comply with the law. Thank you.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Senator Baack, you looking for a friend? (Laughter.)

SENATOR BAACK: I found one, I hope. (Laughter.) Well, he's not a very good friend, but...

PRESIDENT: Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 844.

PRESIDENT: LB 844 advances. LB 919.

CLERK: LB 919, offered by Senator Wehrbein. (Read title.) The bill was introduced on January 3, referred to Revenue, advanced

to General File. I have no amendments to the bill.

PRESIDENT: Senator Hall, please.

SENATOR HALL: Thank you, Mr. President, members. The bill was brought to Senator Wehrbein before the Revenue Committee, 919 does, as the Clerk stated, it basically eliminates an affidavit that had to be manufactured every year, in and out, with regard to cemetery property and the fact that it was exempt from property taxes. The county board still renews it. If there was a change in the use of the property for some purpose, for example, there was land adjacent to the cemetery that was not being used, but yet belonged to the cemetery, if that were to be used, that would still then, at that point in time, have to have an affidavit filed, and of course that would no longer be tax exempt. The bill just eliminates the affidavit. I would urge the advancement.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All in favor vote aye, opposed nay. Senator Hall.

SENATOR HALL: The Speaker is going to vote yes. So then I would urge the bill be ad....Thank you, Mr. President.

PRESIDENT: LB 919 advances. LB 1183.

CLERK: LB 1183, Mr. President, offered by Senator Byars. (Read title.) The bill was heard by Revenue Committee, advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Senator Byars, please.

SENATOR BYARS: Yes, Mr. President and members. The legislation that is brought to you today would change the penalty for willful nonpayment of corporate taxes from a Class IV misdemeanor to a Class IV felony. And the reasoning behind this legislation is that it would bring into line...this penalty into line with the penalty for nonpayment of income tax in the State of Nebraska. It has appeared to me the nonpayment of one is
