SPEAKER BARRETT PRESIDING

SPEAKER BARRETT: Thank you. Proceeding to the next item on...from the Rules Committee. Chairman Lynch.

SENATOR LYNCH: Mr. President, members, the next one is number nine identified on your list. It specifies that a motion to suspend the rules is not divisible. The reason for this, without reading it all but putting it hopefully in laymen's terms so we can understand it, is that when a motion to suspend the rules is attempted it's intended to accomplish only one thing. You don't suspend the rules to accomplish three, four, five or six different things. But, if the amendment that would accomplish one thing would, for example, suspend Rule 1, Section 2, Rule 2, Section 3, Rule 3, Section 4, because it's necessary to do that to identify those sections of the rules that serve that single purpose, you cannot divide the question and take any one of those three rule changes independently. I think, Mr. President and members, that explains the purpose and intent of this rule change and would suggest that we support it.

SPEAKER BARRETT: Thank you, Senator Lynch. Discussion on the proposal...proposed change number nine? Senator Chambers, please.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, let me tell you what the real purpose of this rule change is. There have been attempts at various times to suspend the rules so that there can be no debate or discussion or amendment on bills, and I have indicated that I would divide that question. So the purpose of the rule is to prevent that from happening. So however many things are put into a rule suspension will have to be taken as a package. In some instances you may have a situation where people will think and believe that you should be able to suspend the rules for the purpose of taking a vote without any additional debate, amendment and so forth. And maybe that is all right. Naturally, I'm opposed to it because

SENATOR HANNIBAL: Excuse me?

SENATOR SCHELLPEPER: Are there any other benefits that they could pay as far as the insurance for firemen and things like that?

SENATOR HANNIBAL: Well, yes. As a paid employee of a fire district, and you would be entitled to look at all areas of reimbursements, including those kinds of benefits.

SENATOR SCHELLPEPER: So, in other words, this could be expanded quite a ways, Senator.

SENATOR HANNIBAL: Essentially it could. We have been assured that the implications for liability are not there. But it essentially could be expanded so that you could continue to develop into a larger and a fully paid fire service, but this will all be it, this is all permissive as opposed to mandatory.

SENATOR SCHELLPEPER: Thank you.

PRESIDENT: Did you wish a closing, Senator Hannibal? Okay. If there is no further discussion, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

ASSISTANT CLERK: 27 ayes, 0 nays, on the advancement of the bill, Mr. President.

PRESIDENT: The bill advances. LB 930, please.

ASSISTANT CLERK: LB 930 was introduced by the Government Committee. (Read title.) The bill was read for the first time on January 3rd, was referred to the Government Committee, which reports the bill to General File, Mr. President.

PRESIDENT: Senator Baack, please.

SENATOR BAACK: Yes, Mr. President and colleagues. I knew he was having trouble who was going to take this. This bill makes a number of very minor changes in the way that the National Guard is organized or the way they are able to call people into active service. What it says is in the past it has been that, if they call people into active service for disasters and

emergencies, there could only be 15 people called in, it could only last for 15 days. This has caused some problems in the National Guard in emergency situations. Instead of having that in statute it would say that the Adjutant General would have the discretion to call up as many as were needed for the emergency and allow them to stay on duty as long as was necessary. Another provision in the bill that it changes is right now it says that they can be called in for advice and counsel. Advice and counsel usually consists of ceremonial things in nature, such as funerals, carrying of the colors, these kind of things. Under the present...under present statute it says that they have to be put into a pay classification and should be paid for these duties. What happens is that most of the people that do these duties for the National Guard are already in a for-pay status through their status as regular employees of the National Guard. This would allow the Adjutant General to not have to pay them for these ceremonial duties that he asked them to do. And that's basically what the bill does. If there are any questions, I'd be glad to answer them, if not, I would just urge the advancement of the bill. Thank you.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

ASSISTANT CLERK: 26 ayes, 0 nays, Mr. President.

PRESIDENT: The bill advances. LB 970. I might say that someone has offered to buy you pizza, so I think we'll stick with this consent calendar until we're through, please. LB 970.

ASSISTANT CLERK: LB 970 was introduced by Senator Schimek. (Read title.) The bill was read for the first time on January 4th of this year, was referred to the Government Committee, which reports the bill to General File, Mr. President.

PRESIDENT: Senator Schimek, please.

SENATOR SCHIMEK: Mr. President, members of the body, this bill simply authorizes the Department of Correctional Services to convey some land to Lancaster County for a road widening project at Old Cheney and South Folsom Street. The bill provides that Lancaster County shall compensate the department for removal of trees and fence, and then that compensation is used to replace

There would...share with you that I haven't talked to the Department of Labor, nor to the labor interests, nor to the business interests.
