And that is not a valid, logical position. I don't think it is a reasonable legislative position and in order not to drag out the discussion on this resolution, that will be all I have to say except to reemphasize that I intend to vote against this resolution and I'll vote against others of similar stripe.

PRESIDENT: Senator Hannibal, would you like to close...Senator Lynch, your light came on. Senator Hannibal, would you like to close, please.

SENATOR HANNIBAL: Thank you, Mr. President. Senator Chambers, I also have many thoughts running through my head, but I will exercise some constraint as well. I appreciate you pointing up some facts about the issue of what days are Nebraska citizens days and which days are days for all the people that we are elected to serve, and I agree with you wholeheartedly. Senator Smith, I'm not sure I really needed that much support saying that this resolution wasn't near as bad as some of them that we have, but I guess I'll take a vote whenever I can get it. Yes, it is true that each day that we meet in session, as a matter of fact, each day that we serve in the Legislature, is for all the citizens in Nebraska. That is my philosophy as well. However, I would suggest that we have many days that are proclaimed to be special for certain kinds of occasions and, in fact, certain individuals and that to say that because this all day should be for Nebraska citizens and not have a day that we proclaim as a special recognition would be tantamount in my estimation to saying that we shouldn't have a veterans' day because that implies that every other day is not a day that should be recognized for veterans and their service to us or any number of things that we do have. I believe that this is a gesture of recognition that we are here because of the citizens and we are here to serve the citizens and it's not near as bad a resolution as some of them we've passed and I would urge its adoption.

PRESIDENT: The question is the adoption of the resolution. All in favor vote aye, opposed nay. Record, please.

CLERK: 15 ayes, 4 nays, Mr. President, on adoption of LR 234.

PRESIDENT: The resolution is adopted. We'll go on to number six, introduction of new bills.
