PRESIDENT: Senator Rod Johnson.

SENATOR R. JOHNSON: Mr. President, members, Hampton High School repeated as D-2 state champions again this year. We just want to recognize them for their honor as a state champion, and also the fact that they are one of the few teams that has actually repeated their state championship. A small town in my district that I think has proven that quality of education and quality of basketball programs can go hand in hand. So, this resolution simply recognizes their accomplishment.

PRESIDENT: Senator Rod Johnson, please.

SENATOR R. JOHNSON: Mr. President and member, it is my great pleasure to recognize my home community of Sutton, Nebraska. They have won the state football and basketball championships this year. I am glad to rub that in everybody's face but they are...they are an excellent bunch of young men and coaches and I think it is a rarity when you find a community to win state championships both in basketball, football, and they have not yet had a chance to do anything in track, so we will wait and see how they do in track as well. But they are comprised of, I think, some outstanding young athletes out there and their coaches should be commended for the coaching job that they have done. And as I said, I want to recognize my home community as being both a champion on the field and off the field. Thank you.
