To Whom It May Concern:

The purpose of this letter is to provide a comparison on how administrative certificates are regulated from other states. A comparison chart exists that lists the requirements to become certified as an administrator. The comparison chart can be viewed at <http://ecs.force.com/mbdata/MBQuest2RTANW?rep=SLC1806>. As you can see from the website, the terminology and requirements differ by state. There may not be an exact comparison for this certificate type.

Please feel free to contact me if you have any questions on this certificate type. I can be reached at 402-471-0738 or at clayton.waddle@nebraska.gov.

Sincerely,

A handwritten signature in black ink that reads "Clayton L. Waddle".

Clayton L. Waddle
Director – Educator Certification
