The maps in this booklet are produced in coordination with the Legislative Research Office. Since 1990, LRO has assisted the Nebraska Legislature with redistricting.

The redrawing of district lines to reflect changes in population occurs once every ten years following completion of the U.S. Census.

Current district maps from the 2021 redistricting are available online at NebraskaLegislature.gov/about/maps.php. Printed copies may be purchased from the Legislature, with cost based on size and quantity. Contact LRO for purchasing details.
